The River Sound William Stanley Merwin, 1999 A collection of poems by a Pulitzer Prize winner In *Testimony* a poem on old age he writes of people who would give anything to glimpse a place where they were small or in love once and be able to capture in that second sight what in the plain original they missed and this time get it right **The river sound**, 2009

Desire and Infinity in W. S. Merwin's Poetry Feng Dong, 2021-12-15 In the first monograph on W S Merwin to appear since his death in 2019 Feng Dong focuses on the dialectical movement of desire and infinity that ensouls the poet's entire oeuvre His analysis foregrounds what Merwin calls the other side of despair the opposite of humans articulated personal and social agonies Feng finds these presences in Merwin's evocations of what lingers on the edge of constantly updated socio-symbolic frameworks surreal encounters spiritual ecstasies and abyssal freedoms By examining Merwin's lifelong engagement with psychic fantasies anonymous holiness entities both natural and supernatural and ghostly ancestors Feng uncovers a precarious relation with the unarticulated unrealized side of existence Drawing on theories from Lacan, Levinas and Heidegger *Desire and Infinity in W S Merwin's Poetry* reads a metaphysical possibility into the poet's work at the intersection between contemporary poetics philosophy and psychoanalysis Poetry & Geography Neal Alexander, David Cooper, 2013 Collected critical essays examine contemporary poetry in terms of cultural geography Key themes are place and identity literary cartographies walking as trope and spatial practice the poetics of edges margins and peripheries landscape language and form *American Poets and Poetry* Jeffrey Gray, Mary McAleer Balkun, James McCorkle, 2015-03-10 The ethnically diverse scope broad chronological coverage and mix of biographical critical historical political and cultural entries make this the most useful and exciting poetry reference of its kind for students today American poetry springs up out of all walks of life its poems are maternal as well as paternal stuff'd with the stuff that is coarse and stuff'd with the stuff that is fine as Walt Whitman wrote adding Of every hue and caste am I of every rank and religion Written for high school and undergraduate students this two volume encyclopedia covers U S poetry from the Colonial era to the present offering full treatments of hundreds of key poets of the American canon What sets this reference apart is that it also discusses events movements schools and poetic approaches placing poets in their social historical political cultural and critical contexts and showing how their works mirror the eras in which they were written Readers will learn about surrealism ekphrastic poetry pastoral elegy the Black Mountain poets and language poetry There are long and rich entries on modernism and postmodernism as well as entries related to the formal and technical dimensions of American poetry Particular attention is paid to women poets and poets from various ethnic groups Poets such as Amiri Baraka Nathaniel Mackey Natasha Trethewey and Tracy Smith are featured The encyclopedia also contains entries on a wide selection of Latino and Native American poets and substantial coverage of the avant garde and experimental movements and provides sidebars that illuminate key points

S. Merwin, 2000-03-28 From the Pulitzer Prize winning author and one of the greatest poets of our age the Thoreau of our era Edward Hirsch comes a thrilling story in verse of nineteenth century Hawaii Here is the story of an attempt by the government to seize and constrain possible victims of leprosy and the determination of one small family not to be taken A tale of the perils and glories of their flight into the wilds of the island of Kauai pursued by a gunboat full of soldiers A brilliant capturing inspired by the poet s respect for the people of these islands of their life their history the gods and goddesses of their mythic past A somber revelation of the wrecking of their culture through the exploitative incursions of Europeans and Americans An epic narrative that enthralls with the grandeur of its language and of its vision **Poetry Daily** Diane Boller, Don Selby, Chryss Yost, 2003-12 A poem a day book from the Web s No 1 poetry site *The Poetry of Du Fu* Stephen Owen, 2015-11-13 The Complete Poetry of Du Fu presents a complete scholarly translation of Chinese literature alongside the original text in a critical edition The English translation is more scholarly than vernacular Chinese translations and it is compelled to address problems that even the best traditional commentaries overlook The main body of the text is a facing page translation and critical edition of the earliest Song editions and other sources For convenience the translations are arranged following the sequence in Qiu Zhao an s Du shi xiangzhu although Qiu s text is not followed Basic footnotes are included when the translation needs clarification or supplement Endnotes provide sources textual notes and a limited discussion of problem passages A supplement references commonly used allusions their sources and where they can be found in the translation Scholars know that there is scarcely a Du Fu poem whose interpretation is uncontested The scholar may

use this as a baseline to agree or disagree Other readers can feel confident that this is a credible reading of the text within the tradition A reader with a basic understanding of the language of Chinese poetry can use this to facilitate reading Du Fu which can present problems for even the most learned reader **Poetry** Harriet Monroe,1916 **Brodsky Translating Brodsky: Poetry in Self-Translation** Alexandra Berlina,2014-04-24 Winner of the Anna Balakian Prize 2016 Is poetry lost in translation or is it perhaps the other way around Is it found Gained Won What happens when a poet decides to give his favorite Russian poems a new life in English Are the new texts shadows twins or doppelgangers of their originals or are they something completely different Does the poet resurrect himself from the death of the author by reinterpreting his own work in another language or does he turn into a monster a bilingual bicultural centaur Alexandra Berlina herself a poetry translator and a 2012 Barnstone Translation Prize laureate addresses these questions in this new study of Joseph Brodsky whose Nobel prize winning work has never yet been discussed from this perspective *A General Survey of Song-Poetry (Sanqu) of Yuan China (1260-1368)* Yishan Zhao,2025-05-19 This book provides a survey of Yuan sanqu with its principal sections focusing on fundamental theories compositional features and historical evolution Its treatment of qu criticism and bibliography offers a comprehensive perspective on the defining characteristics of sanqu Serving both as a general overview of sanqu and a foundation for future research this publication explores this unique yet historically marginalized genre of song poetry It generates new insights through textual analysis and the nuanced discussion of dualistic concepts such as the interplay between literature and music the Song and Yuan dynasties and the relationship between ci lyrics and song poetry *The Oxford Companion to Modern Poetry in English* Jeremy Noel-Tod,Ian Hamilton,2013-05-23 This impressive volume provides over 1 700 biographical entries on poets writing in English from 1910 to the present day including T S Eliot Dylan Thomas and Carol Ann Duffy Authoritative and accessible it is a must have for students of English and creative writing as well as for anyone with an interest in poetry
