**What the River Knows** Wayne Fields,1996-04 At the age of forty two Wayne Fields set upon a sort of pilgrimage when he waded the near twenty mile stretch of a small river in northern Michigan with fly rod in hand He emerged with a beautiful and poignant memoir a meditation on families and aging and a whimsical response to what time and streams and those we care about bring into our lives Works of Ralph Waldo Emerson Ralph Waldo Emerson,1889 *The Works of Ralph Waldo Emerson* Ralph Waldo Emerson,1902 **Yes, The River Knows** Tracy Dunham,2006-11-07 Tracy Dunham s acclaimed debut *Wishful Sinful* introduced us to Tal Jefferson an attorney who fled the big city in disgrace after losing a headline making case Now in the second of this evocative series Tal must confront the racism simmering beneath the surface of her hometown to solve a vicious murder Coming back to South Carolina was the best thing Tal Jefferson ever did Even though she s still haunted by the ghosts of her past she s finally given up the booze and started letting the tranquility of her hometown work its way through her veins But her life is thrust back into turmoil when she and a high school acquaintance make a gruesome discovery in the Wynnton River A man has been murdered and soon he is identified as the estranged husband of Tal s secretary June Atkins It isn t long before June is implicated in the crime and simmering racial tensions rise to the surface in this seemingly peaceful hamlet Now in a town full of distrust and self delusion Tal must clear June s name and save them both from a murderer who ll do anything to save himself The River Knows Everything James M Aton,2009-04-20 Desolation Canyon is one of the West s wild treasures Visitors come to study explore run the river and hike a canyon that is deeper at its deepest than the Grand Canyon better preserved than most of the Colorado River system and full of eye catching geology castellated ridges dramatic walls slickrock formations and lovely beaches Rafting the river one may see wild horses blue herons bighorn sheep and possibly a black bear Signs of previous people include the newsworthy well preserved Fremont Indian ruins along Range Creek and rock art panels of Nine Mile Canyon both Desolation Canyon tributaries Historic Utes also pecked rock art including images of graceful horses and lively locomotives in the upper canyon Remote and difficult to access Desolation has a surprisingly lively history Cattle and sheep herding moonshine prospecting and hideaways brought a surprising number of settlers ranchers outlaws and recluses to the canyon **The River Knows Your Name** Kelly Mustian,2025-04-01 From the acclaimed author of *The Girls in the Stilt House* comes a long awaited novel both atmospheric and lyrical a haunting Southern story about memory family secrets and fierce and fragile love For nearly thirty years Nell has kept a childhood promise to never reveal what she and Evie found tucked inside a copy of *Jane Eyre* in their mother s bookcase a record of Evie s birth naming a stranger as her mother But lately Nell has been haunted by hazy memories of their early life in Mississippi years their reclusive mother Hazel has kept shrouded in secrecy Evie recalls nothing before their house on Clay Mountain in North Carolina but Nell remembers abrupt moves odd accommodations and the rainy night a man in a dark coat and a hat pulled low climbed their porch steps with a very little girl Evie then left

without her In dual storylines Nell forty two in 1971 reaches into the past to uncover dangerous long buried secrets and Becca a young mother in the early 1930s presses ahead each moving toward 1934 the catastrophic year that would forever link them From a windswept ghost town long forgotten to a river house in notorious Natchez Under the Hill to a moody nightclub stage Evie s other mother emerges from the shadows of Depression era Mississippi in a story of hardship and perseverance of betrayal and trust and of unexpected redemption in a world in which the lines between heroes and culprits are not always clearly drawn

**Emerson's Complete Works** Ralph Waldo Emerson,1888      **Writing and Being** G. Lynn Nelson,2004 Writing is a doorway to our most creative spiritual self Writing and Being approaches writing at the source of the process and then with guided personal writing leads us outward to meaningful and authentic public writing With powerful practical step by step writing exercises and a plethora of examples Writing and Being demonstrates that journaling is the most profound way that we can discover our authentic selves But beyond mere diary writing the new found clarity through Nelson s journaling methods help us chart a path for a better future Nelson begins by providing tips for the logistics of journal keeping and includes suggestions for getting started He then explores the entire writing process and explains the distinctions between private writing and public writing By shedding light on the relationship between meditation and writing he shows the value of being nonjudgmental and having soft eyes and a beginner s mind Nelson also explains the biology behind the powerful experience of journaling by laying out recent discoveries of the human brain and shows how journaling can heal psychological and spiritual wounds Lastly he shows how journaling is not only a voyage of self discovery but through expanding the private writing process can become a means of sharing one s life
