River Of Dissolution Dh Lawrence English Romanticism:

River of Dissolution Colin Clarke, 2016-03-31 First published in 1969 This title concerns itself with the ambivalence of Lawrence's attitude towards corruption Clarke demonstrates that Lawrence's attitude to will and to sensational or disintegrative sex is much more equivocal than conceded At the same time this is a study of Lawrence's debt as a novelist to the English Romantic poets A tradition of metaphor is traced from the second half of the eighteenth century through the poetry of the major Romantics to the Decadents and so to Lawrence whose attitudes to mechanism and corruption are shown to be articulated above all through ambivalent images of dissolution and disintegration This title will be of interest to students of literature [River of Dissolution](#) Colin C. Clarke, 1969 *River of dissolution* Colin C. Clarke, **River of**

Dissolution Colin Clarke, 1969 **English Fiction of the Early Modern Period** Douglas Hewitt, 2014-05-22 This is an ambitious and fascinating analysis of early twentieth century English literature from Kipling Conrad Lawrence and Forster through figures like Joyce and Woolf to writers such as Evelyn Waugh There are chapters on the younger writers of the age as well as the more popular minor writers like Buchan and Dornford Yates **D. H. Lawrence** J. Beer, 2014-08-21 A full account of Lawrence ranging from his talent as a young writer to the continuing genius of his later work and concentrating on his exceptionally acute powers of observation both human and natural *D. H. Lawrence In Context* Andrew Harrison, 2018-11-15 This collection of original concise essays by leading international scholars draws closely on the Cambridge Edition of the Letters and Works of D H Lawrence to provide up to date insights into the key contexts to the author's life career and legacy It opens with an overview of Lawrence's life as it is explored in biographies and revealed in his letters and writing before reassessing his relationship to the contemporary literary marketplace and his response to and intervention in a range of literary cultural and social historical contexts It ends with sections on Lawrence's changing critical reception and his powerful legacy in the work of later authors and filmmakers The essays present a detailed and nuanced picture of Lawrence as an enterprising professional author with a truly cosmopolitan outlook who engaged deeply and strongly with his contemporary culture and with currents of thought across a range of disciplines [The Life of D. H. Lawrence](#) Andrew Harrison, 2016-02-23 Complete with fresh perspectives and drawing on the latest scholarship and biographical sources The Life of D H Lawrence spans the full range of his intellectual interests and creative output to offer new insights into Lawrence's life work and legacy Addresses his major works but also lesser known writings in different genres and his late paintings in order to reassess the innovative challenging and subversive aspects of Lawrence's personality and writing Incorporates newly discovered sources including correspondence a manuscript written in 1923 4 new evidence for important influences on his major novels and two previously unpublished images of the author Emphasizes Lawrence's gregarious nature his desire to collaborate with others and his adaptability to different social situations Pays particular attention to the many interactions with literary advisors editors agents publishers and printers that were required

for him to work as a professional writer Combines new material with astute commentary to provide a nuanced understanding of one of the most prolific and controversial authors of the twentieth century **D.H. Lawrence's Women in Love** David Ellis,2006 An international group of scholars demonstrate the power *Women in Love* still has to challenge and stimulate its readers in this collection of recent essays They illustrate the way recent theoretical developments in literary studies can be made relevant to readings of Lawrence *D.H. Lawrence, Science and the Posthuman* J. Wallace,2005-06-28 Why was D H Lawrence preoccupied with the enigma of the human as thinking matter This first sustained study of Lawrence and science shows how posthuman conceptions of a material kinship between humans animals and machines can transform our understanding of Lawrence s work and of its complex relationship with scientific epistemologies Through detailed readings of evolutionary philosophy and of the new Bergsonism of Deleuze and others Wallace provides a radical reappraisal of Lawrence in terms of an antihumanist or posthumanist humanism Hardt and Negri **D.H. Lawrence's Australia** David Game,2016-03-09 The first full length account of D H Lawrence s rich engagement with a country he found both fascinating and frustrating D H Lawrence s *Australia* focuses on the philosophical anthropological and literary influences that informed the utopian and regenerative visions that characterise so much of Lawrence s work David Game gives particular attention to the four novels and one novella published between 1920 and 1925 what Game calls Lawrence s Australian period shedding new light on Lawrence s attitudes towards Australia in general and more specifically towards Australian Aborigines women and colonialism He revisits key aspects of Lawrence s development as a novelist and thinker including the influence of Darwin and Lawrence s rejection of eugenics Christianity psychoanalysis and science While Game concentrates on the Australian novels such as *Kangaroo* and *The Boy in the Bush* he also uncovers the Australian elements in a range of other works including Lawrence s last novel *Lady Chatterley s Lover* Lawrence lived in Australia for just three months but as Game shows it played a significant role in his quest for a way of life that would enable regeneration of the individual in the face of what Lawrence saw as the moral collapse of modern industrial civilisation after the outbreak of World War I **D. H. Lawrence's Language of Sacred Experience** C. Burack,2005-11-20 This book demonstrates how D H Lawrence s prophetic ambitions impelled him to create novels that would radically transform the consciousness of his readers Charles Burack argues that Lawrence s major novels beginning with *The Rainbow* are structured as religious initiation rites that attempt to break down the reader s normative mindset and to evoke new numinous experiences of self and world Through careful analysis of narrative structure literary technique and sacred discourses Burack shows that Lawrence tries to initiate the reader into his own version of religious vitalism Unlike most initiations that conclude with powerful affirmations Lawrence s novels generally end with an attempt to subvert the formation of new religious dogmas and to encourage sacred erotic exploration *Cosmopolitan Love* Sijia Yao,2023-11-09 Love and the different manifestations of it is a common theme in literature around the world In *Cosmopolitan Love* Sijia Yao examines the writings of D H Lawrence a British writer whose

literature focused primarily on interpersonal relationships in domestic settings and Eileen Chang a Chinese writer who migrated to the United States and explored Chinese heterosexual love in her writing While comparing the writings of a Chinese writer and an English one Yao avoids a direct comparison between East and West that could further enforce binaries Instead she uses the comparison to develop an idea of cosmopolitanism that shows how the writers are in conversation with their own culture and with each other Both D H Lawrence and Eileen Chang wrote stories that are influenced by but sometimes stand in opposition to their own cultures They offer alternative understandings of societies dealing with modernism and cultural globalization Their stories deal with emotional pain caused by the restrictions of local politics and economics and address common themes of incestuous love sexual love adulterous love and utopian love By analyzing their writing Yao demonstrates that the concept of love as a social and political force can cross cultural boundaries and traditions to become a basis for human meaning the key to a cosmopolitan vision

The Bloomsbury Handbook to D. H. Lawrence Annalise Grice, 2024-01-25 Showcasing the most exciting contemporary scholarship on D H Lawrence this comprehensive collection serves as both an overview of the field at present as well as an examination of new approaches and directions in D H Lawrence studies Explicitly interdisciplinary in its focus and covering fields such as bibliotherapy sustainability and animal studies this book Provides new insights into Lawrence as a transnational figure whose work responds to global cultures Considers Lawrence in light of broader developments within modernist studies Examines Lawrence s work in relation to material cultures and his engagements with print publishing and literary networks Contributors are comprised of established international experts in D H Lawrence studies as well as newer voices This collection provides a comprehensive resource for literature students at all levels from undergraduates and postgraduates to scholars and advanced readers interested in developing their knowledge of D H Lawrence

[Lapsing Out](#) Donald Gutierrez, 1980 This detailed text focuses on the major last writing of D H Lawrence from the perspective of death and rebirth His own sense of impending death combined with Lawrence s elaborate sense of figurative death results in ideas about mortality and immortality presented in various modes studied in this book

The Oxford English Literary History: Volume 10: 1910-1940: The Modern Movement Chris Baldick, 2005-11-10 This exciting new volume provides a freshly inclusive account of literature in England in the period before during and after the First World War Chris Baldick places the modernist achievements of Virginia Woolf T S Eliot and James Joyce within the rich context of non modernist writings across all major genres allowing high literary art to be read against the background of low entertainment Looking well beyond the modernist vanguard Baldick highlights the survival and renewal of realist traditions in these decades of post Victorian disillusionment Ranging widely across psychological novels war poems detective stories satires and children s books The Modern Movement provides a unique survey of the literature of this turbulent time

D. H. Lawrence's Australia Dr David Game, 2015-08-28 In this first full length account of D H Lawrence s rich engagement with a country he found both fascinating and frustrating Game examines how Australia

informed the utopian and regenerative visions that characterize so much of Lawrence's work. He sheds new light on Lawrence's attitudes towards Australian Aborigines, women, and colonialism, and revisits key aspects of Lawrence's development as a novelist and thinker. *The Consciousness of D.H. Lawrence* Daniel J. Schneider, 1986. This biography of Lawrence is unlike any other in its focus on the essential character of the artist and in its synthesis of the facts of his life and thought. It is written not for specialists but for general readers who wish to deepen their understanding of the development of Lawrence's thought and feeling over the course of his lifetime. The author blends intellectual biography and psychology to focus on Lawrence's religious nature as a shaping force in his life. A D.H. Lawrence Handbook Keith Sagar, 1982. Includes information on author and playwright D. H. Lawrence such as a chronology of his life, a chronology of his writings, a checklist of his reading, calendar and maps of his travel, bibliography, filmography and discography. **D.H. Lawrence and Germany** Carl Krockel, 2007-01-01. D. H. Lawrence has suffered criticism for the emotional excess of his language and for a suspected leaning towards right wing politics. This book contextualises his style and political values in German culture, especially its Romantic tradition which has been subjected to the same criticism as himself. In his writing, Lawrence struggles between opposing German cultural elements from the eighteenth century onwards to dramatise the conflicts in Modern European culture and history in the first half of the Twentieth century. The book demonstrates how his failures are integral to his achievements and how the self-contradictory nature of his art is actually its saving grace. This volume surveys the whole span of Lawrence's career; it is intended for both students and teachers of the author and for those interested in the cross-cultural relations of European Modernism. Previous studies have tended to outline references in Lawrence's work to Germany without focusing on the historical, cultural and ideological issues at stake. These issues are the subject of this book.

Ignite the flame of optimism with Get Inspired by is motivational masterpiece, **River Of Dissolution Dh Lawrence English Romanticism** .
