Road To Redemption Southern Politics 1869 1879

John C. Rodrigue

Road To Redemption Southern Politics 1869 1879:

The Road to Redemption Michael Perman, 1985 **The Road to Redemption** Michael Perman, **Reconstructions** Thomas J. Brown, 2008-09-23 The pivotal era of Reconstruction has inspired an outstanding historical literature In the half century after W E B DuBois published *Black Reconstruction in America* 1935 a host of thoughtful and energetic authors helped to dismantle racist stereotypes about the aftermath of emancipation and Union victory in the Civil War The resolution of long running interpretive debates shifted the issues at stake in Reconstruction scholarship but the topic has remained a vital venue for original exploration of the American past In *Reconstructions New Perspectives on the Postbellum United States* eight rising historians survey the latest generation of work and point to promising directions for future research They show that the field is opening out to address a wider range of adjustments to the experiences and effects of Civil War Increased interest in cultural history now enriches understandings traditionally centered on social and political history Attention to gender has joined a focus on labor as a powerful strategy for analyzing negotiations over private and public authority The contributors suggest that Reconstruction historiography might further thrive by strengthening connections to such subjects as western history legal history and diplomatic history and by redefining the chronological boundaries of the postwar period The essays provide more than a variety of attractive vantage points for fresh examination of a major phase of American history By identifying the most exciting recent approaches to a theme previously studied so ably the collection illuminates the creative process in scholarly historical literature *Historical Dictionary of the Civil War and Reconstruction* William L. Richter, 2011-12-01 The importance of the Civil War and Reconstruction in the history of the United States cannot be overstated Many historians regard the Civil War as the defining event in American history At stake was not only freedom for 3 5 million slaves but also survival of the relatively new American experiment in self government A very real possibility existed that the union could have been severed but a collection of determined leaders and soldiers proved their willingness to fight for the survival of what Abraham Lincoln called the last best hope on earth The second edition of this highly readable one volume *Historical Dictionary of the Civil War and Reconstruction* looks to place the war in its historical context The more than 800 entries encompassing the years 1844 1877 cover the significant events persons politics and economic and social themes of the Civil War and Reconstruction An extensive chronology introductory essay and comprehensive bibliography supplement the cross referenced dictionary entries to guide the reader through the military and non military actions of one of the most pivotal events in American history The dictionary concludes with a selection of primary documents This book is an excellent access point for students researchers and anyone wanting to know more about the Civil War and Reconstruction

The Politics of Southern Pastoral Literature, 1785-1885 Peter Templeton, 2018-12-26 In *The Politics of Southern Pastoral Literature 1785 1885* Jeffersonian Afterlives Peter Templeton presents a wide ranging and systematic evaluation of pastoral in the nineteenth century Southern novel offering an explicit appraisal of the philosophical and political rationale of

pastoral literature alongside the existing body of research into the image of Jefferson following his death Rather than assuming a homogeneous South Templeton locates Southern pastoral in its specific political context offering readings of significant factors such as the literary representation of landscape of class and the yeoman ideal and the institution of slavery and its intellectual underpinnings Focusing on a six key Southern authors both canonical and relatively understudied the book charts key transformations in the politics of pastoral literature in the period and noteworthy reconfigurations in the representation of Jefferson and his philosophies in order to analyze what these signified to nineteenth century Americans In doing so the text also demonstrates how ideologies react to the stresses imposed on them by political realities Two-Party Politics in the One-Party South Samuel L. Webb, 2018-05-22 Samuel L Webb presents new evidence that contrary to popular belief voters in at least one Deep South state did not flee en masse from the Republican party after Reconstruction Instead as Webb conclusively demonstrates the party gained strength among white voters in northern Alabama s Hill Country region between 1896 and 1920 *Reconstruction in the Cane Fields* John C. Rodrigue, 2001-05-01 In *Reconstruction in the Cane Fields* John C Rodrigue examines emancipation and the difficult transition from slavery to free labor in one enclave of the South the cane sugar region of southern Louisiana In contrast to the various forms of sharecropping and tenancy that replaced slavery in the cotton South wage labor dominated the sugar industry Rodrigue demonstrates that the special geographical and environmental requirements of sugar production in Louisiana shaped the new labor arrangements Ultimately he argues the particular demands of Louisiana sugar production accorded freedmen formidable bargaining power in the contest with planters over free labor Rodrigue addresses many issues pivotal to all post emancipation societies How would labor be reorganized following slavery s demise Who would wield decision making power on the plantation How were former slaves to secure the fruits of their own labor He finds that while freedmen s working and living conditions in the postbellum sugar industry resembled the prewar status quo they did not reflect a continuation of the powerlessness of slavery Instead freedmen converted their skills and knowledge of sugar production their awareness of how easily they could disrupt the sugar plantation routine and their political empowerment during Radical Reconstruction into leverage that they used in disputes with planters over wages hours and labor conditions Thus sugar planters far from being omnipotent overlords who dictated terms to workers were forced to adjust to an emerging labor market as well as to black political power The labor arrangements particular to postbellum sugar plantations not only propelled the freedmen s political mobilization during Radical Reconstruction Rodrigue shows but also helped to sustain black political power at least for a few years beyond Reconstruction s demise in 1877 By showing that freedmen under the proper circumstances were willing to consent to wage labor and to work routines that strongly resembled those of slavery *Reconstruction in the Cane Fields* offers a profound interpretation of how former slaves defined freedom in slavery s immediate aftermath It will prove essential reading for all students of southern African American agricultural and labor history Urban Emancipation Michael W.

Fitzgerald,2002-09-01 Scholars of Reconstruction have generally described Republican party factional conflicts in racial terms as if the Radical agenda evoked unified black support As Michael W Fitzgerald shows in the first major study of black popular politics in the urban South in the years surrounding the Civil War that depiction oversimplifies a contentious and often overlooked intraracial dynamic Republican political power he argues heightened divisions within the African American community divisions that were ultimately a major factor in the failure of Reconstruction Focusing on Mobile the Confederacy s fourth largest city Fitzgerald traces how the rivalry between longtime black residents and destitute freedmen fleeing the countryside yielded a startlingly antagonistic political scene He demonstrates that the Republican factionalism that helped doom Reconstruction went beyond competing cliques of white officeholders Boldly challenging reigning theories about the nature of post Civil War politics Urban Emancipation will spark historical debate for years to come *The Ongoing Burden of Southern History* Angie Maxwell,Todd Shields,Jeannie Whayne,2012-11-12 More than fifty years after its initial publication C Vann Woodward s landmark work *The Burden of Southern History* remains an essential text on the southern past Today a southern burden still exists but its shape and impact on southerners and the world varies dramatically from the one envisioned by Woodward Recasting Woodward s ideas on the contemporary South the contributors to *The Ongoing Burden of Southern History* highlight the relevance of his scholarship for the twenty first century reader and student This interdisciplinary retrospective tackles questions of equality white southern identity the political legacy of Reconstruction the heritage of Populism and the place of the South within the nation along with many others From Woodward s essays on populism and irony historians find new insight into the burgeoning Tea Party while they also shed light on the contemporary legacy of the redeemer Democrats Using up to date election data scholars locate a shrinking southern identity and point to the accomplishments of the recent influx of African American voters and political candidates This penetrating analysis reinterprets Woodward s classic for a new generation of readers interested in the modern South Contributors Josephine A V Allen Charles S Bullock III James C Cobb Donald R Deskins Jr Leigh Anne Duck Angie Maxwell Robert C McMath Wayne Parent Sherman C Puckett Todd Shields Hanes Walton Jr Jeannie Whayne Patrick G Williams **Rebuilding Zion** Daniel W. Stowell,2001-09-20 Both the North and the South viewed the Civil War in Christian terms Each side believed that its fight was just that God favored its cause *Rebuilding Zion* is the first study to explore simultaneously the reaction of southern white evangelicals northern white evangelicals and Christian freedpeople to Confederate defeat As white southerners struggled to assure themselves that the collapse of the Confederacy was not an indication of God s stern judgment white northerners and freedpeople were certain that it was Author Daniel W Stowell tells the story of the religious reconstruction of the South following the war a bitter contest between southern and northern evangelicals at the heart of which was the fate of the freedpeople s souls and the southern effort to maintain a sense of sectional identity Central to the southern churches vision of the Civil War was the idea that God had not abandoned the South defeat was a Father s stern chastisement Secession and

slavery had not been sinful rather it was the radicalism of the northern denominations that threatened the purity of the Gospel Northern evangelicals armed with a vastly different vision of the meaning of the war and their call to Christian duty entered the post war South intending to save white southerner and ex slave alike The freedpeople however drew their own providential meaning from the war and its outcome The goal for blacks in the postwar period was to establish churches for themselves separate from the control of their former masters Stowell plots the conflicts that resulted from these competing visions of the religious reconstruction of the South By demonstrating how the southern vision eventually came to predominate over but not eradicate the northern and freedpeople s visions for the religious life of the South he shows how the southern churches became one of the principal bulwarks of the New South a region marked by intense piety and intense racism throughout the twentieth century

The Reconstruction Presidents Brooks D. Simpson, 1998 Brooks Simpson examines the policies of each administration in depth and evaluates them in terms of their political social and institutional contexts Simpson explains what was politically possible at a time when federal authority and presidential power were more limited than they are now He compares these four leaders handling of similar challenges such as the retention of political support and the need to build a southern base for their policies in different ways and under different circumstances and he discusses both their use of executive power and the impact of their personal beliefs on their actions

Fenians, Freedmen, and Southern Whites Mitchell Snay, 2007 Unlike southern whites and blacks Irish Americans are seldom mentioned in Reconstruction histories By joining the Fenians with freedpeople and southern whites Snay seeks to assert their central relevance to the dynamics of nationalism during Reconstruction and offers a highly original analysis of Reconstruction as an Age of Capital and an Age of Emancipation where categories of race class and gender as well as nationalism were fluid and contested

BOOK JACKET *Reconstruction in the United States* David Lincove, 2000-01-30 The only comprehensive bibliography on Reconstruction this book provides the definitive guide to literature published from 1877 to 1998 In over 2 900 entries the work covers a broad range of topics including politics agriculture labor religion education race relations law family gender studies and local history It encompasses the years of the Civil War through the conclusion of the 1876 election and the end of the federal government s official role in reforming the postwar South and protecting the rights of Black citizens In detailed annotations the book covers a range of literature from scholarly and popular studies to published memoirs letters and documents as well as reference sources and teaching tools The issues of Reconstruction civil rights states rights and federal state relations racism nationalism government aid to individuals continue to be relevant today and the literature on Reconstruction is large This book provides a systematic and comprehensive bibliographic guide to that literature It is organized by topics and geographical regions and states thereby emphasizing the local diversity in the South In addition to a variety of literature it covers the relevant Supreme Court cases through 1883 provides full citations to federal acts and cases cited and includes the texts of the 13th 14th and 15th Amendments to the Constitution The book will be useful

to scholars and students researching a wide range of topics in Southern history constitutional history and national politics in post Civil War United States **The Wars of Reconstruction** Douglas R. Egerton,2014-01-21 A groundbreaking new history telling the stories of hundreds of African American activists and officeholders who risked their lives for equality in the face of murderous violence in the years after the Civil War *After Slavery* Howard Temperley,2013-01-11 A collection of essays in which every contributor focuses upon some aspect of slave emancipation with the aim of assessing to what extent the outcome met with expectation The hopes and disappointments that characterized the transition from slavery to freedom are depicted *Fateful Lightning* Allen C. Guelzo,2012-05-18 The Civil War is the greatest trauma ever experienced by the American nation a four year paroxysm of violence that left in its wake more than 600 000 dead more than 2 million refugees and the destruction in modern dollars of more than 700 billion in property The war also sparked some of the most heroic moments in American history and enshrined a galaxy of American heroes Above all it permanently ended the practice of slavery and proved in an age of resurgent monarchies that a liberal democracy could survive the most frightful of challenges In *Fateful Lightning* two time Lincoln Prize winning historian Allen C Guelzo offers a marvelous portrait of the Civil War and its era covering not only the major figures and epic battles but also politics religion gender race diplomacy and technology And unlike other surveys of the Civil War era it extends the reader s vista to include the postwar Reconstruction period and discusses the modern day legacy of the Civil War in American literature and popular culture Guelzo also puts the conflict in a global perspective underscoring Americans acute sense of the vulnerability of their republic in a world of monarchies He examines the strategy the tactics and especially the logistics of the Civil War and brings the most recent historical thinking to bear on emancipation the presidency and the war powers the blockade and international law and the role of intellectuals North and South Written by a leading authority on our nation s most searing crisis *Fateful Lightning* offers a vivid and original account of an event whose echoes continue with Americans to this day *Reader's Guide to American History* Peter J. Parish,2013-06-17 There are so many books on so many aspects of the history of the United States offering such a wide variety of interpretations that students teachers scholars and librarians often need help and advice on how to find what they want The Reader s Guide to American History is designed to meet that need by adopting a new and constructive approach to the appreciation of this rich historiography Each of the 600 entries on topics in political social and economic history describes and evaluates some 6 to 12 books on the topic providing guidance to the reader on everything from broad surveys and interpretive works to specialized monographs The entries are devoted to events and individuals as well as broader themes and are written by a team of well over 200 contributors all scholars of American history *The Death of Reconstruction* Heather Cox Richardson,2009-07-01 Historians overwhelmingly have blamed the demise of Reconstruction on Southerners persistent racism Richardson argues instead that class along with race was critical to Reconstruction s end *Gullah Statesman* Edward A. Miller, Jr.,2021-12-23 A political biography of the first African American hero of the Civil

War A native of Beaufort South Carolina Robert Smalls was born into slavery but through acts of remarkable courage and determination became the first African American hero of the Civil War and one of the most influential African American politicians in South Carolina history In this largely political biography of Smalls s inspirational story Edward A Miller Jr traces the triumphs and setbacks of the celebrated U S congressman and advocate of compulsory desegregated public education to illustrate how the life and contributions of this singular individual were indicative of the rise and fall of political influence for all African Americans during this rough transitional period in American history Edge of the Sword Ted Tunnell,2004-10-01 Ted Tunnell s superbly researched biography of Marshall H Twitchell is a major addition to Reconstruction literature New England native Union soldier Freedmen s Bureau agent and Louisiana planter Twitchell became the radical political boss of Red River Parish in the 1870s He forged an economic alliance with entrepreneurial Jewish merchants and rose to power during the first upswing of the southern economy after the war The Panic of 1873 however undermined his regime and virtually overnight the New Englander quickly went from financial benefactor to scapegoat for northwest Louisiana s failed dreams of prosperity His life and death struggle with the notorious White League has more gut wrenching suspense than most novels The first full length study of Twitchell Edge of the Sword is edifying entertaining and cutting edge scholarship

Adopting the Song of Term: An Psychological Symphony within **Road To Redemption Southern Politics 1869 1879**

In some sort of used by displays and the ceaseless chatter of immediate communication, the melodic beauty and mental symphony produced by the published word usually disappear in to the back ground, eclipsed by the persistent noise and distractions that permeate our lives. However, situated within the pages of **Road To Redemption Southern Politics 1869 1879** a marvelous fictional value full of fresh emotions, lies an immersive symphony waiting to be embraced. Crafted by an outstanding composer of language, this charming masterpiece conducts readers on a psychological journey, well unraveling the hidden songs and profound influence resonating within each carefully constructed phrase. Within the depths of the touching assessment, we will explore the book is central harmonies, analyze their enthralling writing design, and surrender ourselves to the profound resonance that echoes in the depths of readers souls.

Road To Redemption Southern Politics 1869 1879 Introduction

In the digital age, access to information has become easier than ever before. The ability to download Road To Redemption Southern Politics 1869 1879 has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Road To Redemption Southern Politics 1869 1879 has opened up a world of possibilities. Downloading Road To Redemption Southern Politics 1869 1879 provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Road To Redemption Southern Politics 1869 1879 has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Road To Redemption Southern Politics 1869 1879. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Road To Redemption Southern Politics 1869 1879. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Road To Redemption Southern Politics 1869 1879, users should also consider the potential security risks associated with online

platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Road To Redemption Southern Politics 1869 1879 has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.

FAQs About Road To Redemption Southern Politics 1869 1879 Books

1. Where can I buy Road To Redemption Southern Politics 1869 1879 books? Bookstores: Physical bookstores like Barnes & Noble, Waterstones, and independent local stores. Online Retailers: Amazon, Book Depository, and various online bookstores offer a wide range of books in physical and digital formats.
2. What are the different book formats available? Hardcover: Sturdy and durable, usually more expensive. Paperback: Cheaper, lighter, and more portable than hardcovers. E-books: Digital books available for e-readers like Kindle or software like Apple Books, Kindle, and Google Play Books.
3. How do I choose a Road To Redemption Southern Politics 1869 1879 book to read? Genres: Consider the genre you enjoy (fiction, non-fiction, mystery, sci-fi, etc.). Recommendations: Ask friends, join book clubs, or explore online reviews and recommendations. Author: If you like a particular author, you might enjoy more of their work.
