Jim Trelease **Modern Genocide** Paul R. Bartrop, Steven Leonard Jacobs, 2014-12-17 This massive four volume work provides students with a close examination of 10 modern genocides enhanced by documents and introductions that provide additional historical and contemporary context for learning about and understanding these tragic events Modern Genocide The Definitive Resource and Document Collection spans nearly 1 700 pages presented in four volumes and includes more than 120 primary source documents making it ideal for high school and beginning college students studying modern genocide as part of a larger world history curriculum The coverage for each modern genocide from Herero to Darfur begins with an introductory essay that helps students conceptualize the conflict within an international context and enables them to better understand the complex role genocide has played in the modern world There are hundreds of entries on atrocities organizations individuals and other aspects of genocide each written to serve as a springboard to meaningful discussion and further research The coverage of each genocide includes an introductory overview an explanation of the causes consequences perpetrators victims and bystanders the international reaction a timeline of events an Analyze section that poses tough questions for readers to consider and provides scholarly pro and con responses to these historical conundrums and reference entries This integrated examination of genocides occurring in the modern era not only presents an unprecedented research tool on the subject but also challenges the readers to go back and examine other events historically and consequently consider important questions about human society in the present and the future

Women and Genocide Elissa Bemporad, Joyce W. Warren, 2018-04-10 The genocides of modern history Rwanda Armenia Guatemala the Holocaust and countless others and their effects have been well documented but how do the experiences of female victims and perpetrators differ from those of men In Women and Genocide human rights advocates and scholars come together to argue that the memory of trauma is gendered and that women's voices and perspectives are key to our understanding of the dynamics that emerge in the context of genocidal violence The contributors of this volume examine how women consistently are targets for the sexualized violence that serves as an instrument of ethnic cleansing how female perpetrators take advantage of the new power structures and how women are involved in the struggle for justice in post genocidal contexts By placing women at center stage Women and Genocide helps us to better understand the nexus existing between misogyny and violence in societies where genocide erupts
