The Romanov Conspiracy Glenn Meade, 2013-06-11 Since July 1918 no one has been able to solve the mysterious disappearance of Princess Anastasia until Dr Laura Pavlov uncovers some haunting clues in this thriller by the acclaimed bestselling author of The Second Messiah Dr Laura Pavlov an American forensic archaeologist is about to unravel a mystery that promises to shed light on one of the twentieth century's greatest enigmas Digging on the outskirts of the present day Russian city of Ekaterin

burg where the Romanov royal family was executed in July 1918 Pavlov discovers a body perfectly preserved in the permafrost of a disused mine shaft The remains offer dramatic new clues to the disappearance of the Romanovs and in particular their famous daughter Princess Anastasia whose murder has always been in question Pavlov s discovery sets her on an unlikely journey to Ireland where a carefully hidden account of a years old covert mis sion is about to change the accepted course of world history and hurl her back into the past into a maelstrom of deceit secrets and lies Drawn from historical fact The Romanov Conspiracy is a page turning story of love and friendship tested by war and a desperate battle between revenge and redemption set against one of the most bloody and brutal revolu tions in world history

The Silicon War Mark Hanson,2016-08-18 The Silicon War is a fictional story that depicts the theft and illegal export of sensitive US electronic equipment and the federal governments efforts to track down the perpetrators and bring them to justice The story takes place in two principal locations Silicon Valley California and the USSR The story in Silicon Valley tells the activities of the perpetrators of the crimes and of authorities in their efforts to find them It also explores the impact of these crimes on the innocent family members of the criminals The story in the USSR tells the activities of US agents in an effort to close the channels used to obtain sensitive US equipment It also tells the story of innocent Soviet bureaucrats caught up in events not under their own control The story begins with the discovery in the US that equipment is being funneled to the Soviet Union and the near simultaneous discovery in the USSR that the US has electronic surveillance capabilities far in excess of past assumptions Each of these discoveries triggers a series of activities that lead the main characters on both continents through a complex and dangerous series of events bringing both sides together in a surprising manner The ultimate outcome of the events portrayed in the lives of the characters concludes the story The story includes a frantic chase across the Soviet Union in which CIA agents try to save the lives of two Soviet bureaucrats by getting them out of the Soviet Union and into Finland

Assignment Russia Marvin Kalb,2021-04-13 A personal journey through some of the darkest moments of the cold war and the early days of television news Marvin Kalb the award winning journalist who has written extensively about the world he reported on during his long career now turns his eye on the young man who became that journalist Chosen by legendary broadcaster Edward R Murrow to become one of what came to be known as the Murrow Boys Kalb in this newest volume of his memoirs takes readers back to his first days as a journalist and what also were the first days of broadcast news Kalb captures the excitement of being present at the creation of a whole new way of bringing news immediately to the public And what news Cold War tensions were high between Eisenhower s America and Khrushchev s Soviet Union Kalb is at the center occupying a unique spot as a student of Russia tasked with explaining Moscow to Washington and the American public He joins a cast of legendary figures along the way from Murrow himself to Eric Severeid Howard K Smith Richard Hottelet Charles Kuralt and Daniel Schorr among many others He finds himself assigned as Moscow correspondent of CBS News just as the U2 incident the downing of a US spy plane over Russian territory is unfolding As readers of his first volume The Year I

Was Peter the Great will recall being the right person in the right place at the right time found Kalb face to face with Khrushchev Assignment Russia sees Kalb once again an eyewitness to history and a writer and analyst who has helped shape the first draft of that history Kalb witnessed and interpreted many of the defining events of the Cold War In Assignment Russia he ultimately finds himself assigned as Moscow correspondent for CBS News just as the U 2 incident the downing of a U S spy plane over Russian territory is unfolding Kalb brings alive once again the tension that surrounded that event and the reportorial skills deployed to illuminate it Like *The Year I Was Peter the Great* the first volume in a series of memoirs narrating his earlier life Assignment Russia brings us Kalb once again as an eyewitness to history and a writer and analyst who has helped shape the first draft of that history *Putin Takes Crimea 2014* Mark Galeotti, 2023-09-28 An authoritative analysis of how Putin's Russia conquered the Crimea in 2014 using grey zone warfare techniques blending operations by anonymous special forces with cyber sabotage and propaganda Russia's annexation of Crimea in 2014 was almost bloodless fought as much through propaganda cyberattacks and subversion as by force of arms but it is crucial for our understanding of both modern warfare and recent Russian history Ironically this slick triumph eventually led to the full scale invasion of Ukraine the largest and costliest conventional war in Europe since 1945 This is a fascinating account of the Crimea conquest from a supremely qualified expert on modern Russian forces Illustrated throughout it explores how Russia developed its new model of hybrid or grey zone warfare and planned and deployed it against Crimea from the choreographed appearance of spontaneous protesters through to the deployment of unbadged Russian elite forces In this book Mark Galeotti explores the lessons that Russia Ukraine and the West took from it correctly and mistakenly and how this apparently textbook operation sowed the seeds that would erupt so catastrophically in 2022 **The Living And The Dead** Konstantin Simonov, 2016-07-26 The combination of traditional Tolstoyan verbiage with the time worn universal theme of war has not prevented this Russian author Days and Nights and journalist from creating an intense and absorbing World War II documentary of the first months at Russia's Western Front as the Germans advance relentlessly toward Moscow More than an accurate exciting record of the actual battles retreats and encirclements the novel is meaningfully overcast with an aura of war any war of any nation not only its horrors but its rewards its spirit and above all its blind disregard for any disparity between the living and the dead In microcosm the hero of the book is Vanya Sintsov a young military journalist who joins the front ranks to fight is wounded and captured and escapes but without his survival guarantee the Party Card and Identity Papers The struggle to redeem his official status as a soldier through his own actions takes him from unit to unit from comrade to comrade never doubting his country's victory but often despairing at human nature Sintsov with all his faith and failings is still only an epitome it is the Russian Army and all its emergency supporters that is the true epic hero Aided by Ainsztein's fine translation Simonov has managed in a gargantuan complex of characters and events to capture that elusive dust that inexorably settles on a people at war Long but rewarding both for historical accuracy and artful fiction Kirkus

Conflict Michael P. Croissant,1998-07-23 Of all the violent disputes that have flared across the former Soviet Union since the late 1980s the Armenia Azerbaijan conflict is the only one to pose a genuine threat to peace and security throughout Eurasia By right of its strategic location and oil resources the Transcaucasus has been and will continue to be a source of interest for external powers competing to advance their geopolitical influence in the region Under such conditions the possibility will remain for the Armenia Azerbaijan conflict to reignite and expand to include other powers The ten year conflict between Armenia and Azerbaijan has been one of the bloodiest and most intractable disputes to emerge from the breakup of the Soviet Union Animosity that developed between the Armenians and Azeris under czarist Russian rule was fueled by the rise of a dispute over Nagorno Karabakh a mountainous region for which both peoples feel an intense nationalistic affinity The attachment of the region to Azerbaijan by Stalin in 1923 became a source of deep resentment for the Armenians and during the rule of Gorbachev a campaign was begun to achieve the peaceful unification of Armenia and Karabakh Azerbaijan resisted the move as a threat to its territorial integrity and clashes that broke out soon escalated into a full scale war that outlived the USSR itself Although a cease fire has been observed since May 1994 a peaceful settlement to the conflict has been elusive Meanwhile by right of both the strategic location and resources and the unique security characteristics of the Transcaucasus major external powers Russia Turkey and Iran have sought to influence the dispute according to their geopolitical interests With the growth of interest in the oil riches of the Caspian Sea and the increasing engagement of Western countries including the United States the risks and implications of renewed violence between Armenia and Azerbaijan will grow This major study will be of interest to students scholars and policymakers involved with international relations military affairs and the Transcaucasus Catalogue of Title-entries of Books and Other Articles

Roadblock To Moscow Introduction

In today's digital age, the availability of Roadblock To Moscow books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Roadblock To Moscow books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Roadblock To Moscow books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Roadblock To Moscow versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Roadblock To Moscow books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Roadblock To Moscow books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Roadblock To Moscow books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited

period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Roadblock To Moscow books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Roadblock To Moscow books and manuals for download and embark on your journey of knowledge?
