everybody Do I really have to tell others about Jesus It is filled with religious rituals and commands that may seem like a dictator is at work It may seem exasperating at times If this is true for you you may have found the love of God but not the love for God When you fall in love the commands of God are no longer difficult The Salvation of Maven Storm helps the Christian develop this covenant relationship and dispels the idea of Christian slavery Just as Jesus told parables to help the people understand God and heaven The Salvation of Maven Storm uses personal stories to explain theological truths It explains how Christianity is about a relationship and not a bunch of rituals and rules to follow It explains exactly why and what God wants and expects of this relationship It explains the riches God offers us in return Overall the entire book is about what it is like to be in a covenant relationship with Jesus The relationship is so much more than life itself     *Building a Community of Interpreters* Walter R. Dickhaut,2013-07-03 In *Building a Community of Interpreters* Walter Dickhaut argues that the practice of reading and by extension listening is no less creative than the practice of writing and speaking readers and hearers just as much as writers and speakers are producers of meaning Hence the work of biblical interpretation is the work the calling of a community Focused on the experience of the reader or hearer of biblical texts he explores such questions as What happens when the author disappears What happens when a reader opens a book to meet the author What happens when a book is read What happens when the reader changes spectacles Into discussion of such issues as the reader's angle of vision when texts open and close the reader's expectations the reader's meeting up with the text and the functions of filters and lenses in the practice of reading and hearing the author introduces mystery surprise and expectation as hermeneutical lenses that can enlarge what may be seen in biblical texts In addition to some homiletical samples the author concludes with a suggested teaching plan for building a community of interpreters     Expressions From the Heart Mae Bertha Paul Powers,2018-08-24 *Expressions from the Heart* is a collection of poems prayers and thoughts that seeks to show that experiencing all aspects of life from the perspective of Christ is what gives meaning joy and fulfillment to our lives even in the midst of life's most difficult and darkest times It seeks to relay that all of life no matter what it is good bad and everything in between is all in His hands For in Him we live and move and have our being Acts 17:28a KJV     Gird up with the Word Devotional Digest Dr. Anthony L. Byrd Sr.,2013-11-27 A daily digestive dose of the Word of God is necessary in order to successfully face and defeat the devil and his destructive devices These meditations will help to equip you with the spiritual armor needed in daily spiritual warfare It could also serve as a well of sermon or Bible study starters for the preacher teacher This devotional is intended to help you Gird up with the Word each day and be a blessing to you as you meditate and spend precious moments with God and His Word     Darwin's Progress Jon Huer,2024-10-11 What would a future traveler discover in an America that has taken its money based society to the extreme Michael Brown our hero from the first book of the trilogy is now 35 and sets out to explore this new world In America he encounters pecuniocracy a system where the rationality of money governs all aspects of life contract marriages commercial families custody battles with
