*THE ROARING TWENTIES* Marcia Amidon Lusted, 2014-07-21 The 1920s is one of the most fascinating decades in American history when the seeds of modern American life were sown It was a time of prosperity and recovery from war when women's roles began to change and advertising and credit made it desirable and easy to acquire a vast array of new products But there was a dark side of crime and corruption racial intolerance hard times for immigrants and farmers and an impending financial collapse The Roaring Twenties Discover the Era of Prohibition Flappers and Jazz explores all the different aspects of the time from literature and music to politics fashion economics and invention To experience one of the most vibrant eras in US history readers will debate the pros and cons of prohibition create an advertising campaign for a new product and analyze and compare events leading to the stock market crashes of 1929 and 2008 The Roaring Twenties meets common core state standards in language arts for reading informational text and literary nonfiction and is aligned with Next Generation Science Standards Guided Reading Levels and Lexile measurements indicate grade level and text complexity

**The Roaring Twenties** Nova Ashford, The conclusion of World War I in 1918 marked a turning point not only for the nations involved but also for global history For the United States which had joined the war in 1917 the armistice brought a complex mix of relief mourning and anticipation for what the future might hold American soldiers returned home to a country eager to move past the trauma of war and embrace peace and prosperity President Woodrow Wilson's vision for a postwar world captured in his Fourteen Points emphasized diplomacy self determination and the creation of the League of Nations However the idealism of Wilson's international vision clashed with domestic desires for isolationism and a return to prewar normalcy The immediate postwar years were a time of adjustment and upheaval The American economy which had been mobilized for wartime production faced a difficult transition back to peacetime industry Factories that had been focused on military goods had to retool for civilian markets and soldiers returning from Europe flooded the labor force competing for jobs in an economy that was struggling to stabilize These challenges were compounded by inflation strikes and widespread labor unrest including major walkouts by steelworkers and coal miners Socially the end of the war exposed deep tensions within American society The Great Migration of African Americans from the rural South to northern cities during the war had

intensified racial competition for jobs and housing In the summer of 1919 known as the Red Summer racial violence erupted in cities across the country with Chicago witnessing one of the worst race riots in American history Meanwhile fear of communist revolution fueled by the 1917 Bolshevik takeover in Russia ignited the first Red Scare in the United States Suspicion of immigrants and radicals led to arrests deportations and increased support for restrictive immigration policies
