when their hour struck again they might perhaps be fortified against past error Now that they have another chance a look back at the 1960s might serve them well *The Coming of the New Deal* Arthur M. Schlesinger, 2003-07-09 Volume two of the Pulitzer Prize winning author's Age of Roosevelt series describes Franklin Delano Roosevelt's first tumultuous years in the White House Coming into office at the bottom of the Great Depression FDR told the American people that they have nothing to fear but fear itself The conventional wisdom having failed he tried unorthodox remedies to avert economic collapse His first hundred days restored national morale and his New Dealers filled Washington with new approaches to recovery and reform Combining idealistic ends with realistic means Roosevelt proposed to humanize redeem and rescue capitalism The Coming of the New Deal written with Schlesinger's customary verve is a gripping account of critical years in the history of the republic Monumental authoritative spirited one of the major works in American historical literature New York Times Impelling an achievement as much in its sensitivity as in its scholarship It is essential reading Kirkus Reviews

RFK and MLK Philip A. Goduti, Jr., 2017-06-23 Robert F Kennedy and Martin Luther King Jr lived parallel lives Their leadership helped millions of Americans recover from the assassination of John F Kennedy and inspired hope for a more peaceful and egalitarian society which endured well after their own tragic deaths five years later Their rhetoric addressed the pervasive issues of the era poverty war and civil rights and encouraged young people and the disadvantaged throughout the United States and the world This book examines the vision they shared through their speeches writings and public appearances in the years of the cultural groundshift of 1963 through 1968 Richard Yates Up Close Martin Naparstek, 2011-12-22 Richard Yates has been referred to as America's least known great writer Today Yates is known primarily for the novel *Revolutionary Road* considered by many critics as the greatest American novel of the second half of the twentieth century This critical study examines the life and work of Yates by placing his body of work in both cultural and personal context Topics covered include the writing of his major novels homosexuality his role as a critic and his relationship with Hollywood This text divulges new details about his life and offers a thorough analysis of unpublished materials from the Richard Yates archives at Boston University **Khrushchev: The Man and His Era** William Taubman, 2004-03-30 Tells the life story of twentieth century Soviet leader Nikita Khrushchev featuring information from previously inaccessible Russian and Ukrainian archives **Watergate: The Hidden History** Lamar Waldron, 2013-06-01 A groundbreaking investigation into the events of the Watergate Scandal complete with fascinating new material all exhaustively researched in the author's customary style The New York Observer While Richard Nixon's culpability for Watergate has long been established what's truly remarkable is that after almost fifty years conventional accounts of the scandal still don't address Nixon's motive Why was President Nixon willing to risk his reelection with so many repeated burglaries at the Watergate and other Washington offices in just a few weeks What motivated Nixon to jeopardize his presidency by ordering the wide range of criminal operations that resulted in Watergate What was Nixon so desperate to get at the Watergate and how does it explain the

deeper context surrounding his crimes For the first time the groundbreaking investigative research in *Watergate The Hidden History* provides documented answers to all of those questions It adds crucial missing pieces to the Watergate story information that President Nixon wanted but couldn't get and that wasn't available to the Senate Watergate Committee or to Woodward and Bernstein This new information not only reveals remarkable insights into Nixon's motivation for Watergate but also answers the two most important remaining questions What were the Watergate burglars after And why was Nixon willing to risk his Presidency to get it *Watergate The Hidden History* reexamines the historical record including new material only available in recent years This includes thousands of recently declassified CIA and FBI files newly released Nixon tapes and exclusive interviews with those involved in the events surrounding Watergate ranging from former Nixon officials to key aides for John and Robert Kennedy This book also builds on decades of investigations by noted journalists and historians as well as long overlooked investigative articles from publications like *Time* magazine the *Los Angeles Times* and the *New York Times*

Bobby Kennedy Larry Tye, 2017-05-09 A multilayered inspiring portrait of RFK the most in depth look at an extraordinary figure whose transformational story shaped America Joe Scarborough *The Washington Post* NEW YORK TIMES BESTSELLER Soon to be a Hulu original series starring Chris Pine Larry Tye appears on CNN's *American Dynasties The Kennedys* We are in Larry Tye's debt for bringing back to life the young presidential candidate who almost half a century ago instilled hope for the future in angry fearful Americans David Nasaw *The New York Times Book Review* Bare knuckle operative cynical White House insider romantic visionary Robert F Kennedy was all of these things at one time or another and each of these aspects of his personality emerges in the pages of this powerful and perceptive biography History remembers RFK as a racial healer a tribune for the poor and the last progressive knight of a bygone era of American politics But Kennedy's enshrinement in the liberal pantheon was actually the final stage

of a journey that began with his service as counsel to the red baiting senator Joseph McCarthy In Bobby Kennedy Larry Tye peels away layers of myth and misconception to capture the full arc of his subject s life Tye draws on unpublished memoirs unreleased government files and fifty eight boxes of papers that had been under lock and key for forty years He conducted hundreds of interviews with RFK intimates many of whom have never spoken publicly including Bobby s widow Ethel and his sister Jean Tye s determination to sift through the tangle of often contradictory opinions means that Bobby Kennedy will stand as the definitive biography about the most complex and controversial member of the Kennedy family Praise for Bobby Kennedy A compelling story of how idealism can be cultivated and liberalism learned Tye does an exemplary job of capturing not just the chronology of Bobby s life but also the sense of him as a person Los Angeles Review of Books Captures RFK s rise and fall with straightforward prose bolstered by impressive research USA Today Tye has a keen gift for narrative storytelling and an ability to depict his subject with almost novelistic emotional detail Michiko Kakutani The New York Times Nuanced and thorough RFK s vision echoes through the decades The Economist
