Robert Musil Konstanz Und Entwicklung Von Themen Motiven Und Strukturen In Den Dichtungen

Roland Kroemer

Robert Musil Konstanz Und Entwicklung Von Themen Motiven Und Strukturen In Den Dichtungen:

Understanding Robert Musil Allen Thiher, 2009 Deft analysis of the fiction theater and essays of the author of *The Man without Qualities* In this critical introduction to the major works of Austrian modernist writer Robert Musil 1880 1942 Allen Thiher offers deft analysis of Musil's short fiction theater and essays and his major novel *The Man without Qualities* Thiher maps Musil's development as a writer illustrating how his work evolved in response to catastrophic historical events such as World War I the collapse of the Austro-Hungarian Empire and Hitler's seizure of power From this historical context Thiher traces how Musil began his career by writing a prescient first novel about ideological developments in German culture and at the same time a doctoral thesis on scientific epistemology Following his service in World War I Musil began to view writing as his vocation and during this early period in his literary career he produced short fiction plays and some of the most interesting essays on politics ethics and literature to be published during the Weimar era In exploring these writings as well as *The Man without Qualities* a work left unfinished upon Musil's death in exile during World War II Thiher's study plumbs the depths of Musil's ambition and accomplishments and presents a concise interpretation of the lasting significance of the writer's interrogations of the foundations of modern European culture *Sexuality and the Sense of Self in the Works of Georg Trakl and Robert Musil* Andrew Webber, 1990 **The Critical Response to Musil's *The Man Without Qualities*** Timothy J. Mehigan, 2003 Table of contents ***Deutsche Dichter des 20. Jahrhunderts*** Hartmut Steinecke, 1994 *Die Sphäre des Ästhetischen bei Robert Musil* Jürgen Gunia, 2000 ***Robert-Musil-Handbuch*** Birgit Nübel, Norbert Christian Wolf, 2016-10-24 Der österreichische Autor Robert Musil 1880 1942 war Militär-Ingenieur und promovierter Philosoph Er hat neben seinem fragmentarischen Roman *Der Mann ohne Eigenschaften* 1930-32 Dramen Erzählungen Essays Rezensionen sowie einen umfangreichen Nachlass hinterlassen Das Handbuch bietet LiteraturwissenschaftlerInnen wie interessierten Laien eine umfassende Übersicht zu Leben Werk und Wirkung Musils Zugleich werden Forschungsperspektiven auf eines der wichtigsten Werke der deutschsprachigen klassischen Moderne eröffnet das einen diskursiven Querschnitt durch Kultur und Wissensgeschichte zeitgenössische Philosophie Ästhetik Natur und Technikwissenschaft präsentierte ***Robert Musil and the Ineffable*** Ronald M. Paulson, 1982 ***Distinguished Outsider*** Christian Rogowski, 1994 A study of the shifts of critical opinion on Musil with special reference to *The Man Without Qualities* Austrian writer Robert Musil 1880 1942 ranks with Proust Joyce Kafka and Thomas Mann as a master of the modern prose narrative his works encompass a wide range of theoretical and aesthetic impulses ranging from Nietzsche to Mach from Gestalt theory to Freudian psychoanalysis This volume traces the scholarly reception of Musil's works marked by discontinuities and abrupt shifts of perception At the beginning of his career Musil was stereotyped as an author primarily interested in morally questionable psychological issues before being plunged into near oblivion by his exile forced by National Socialism After the Second World War he was rediscovered but the development of Musil studies was severely hampered by the inability to determine an authoritative

edition of his unfinished masterpiece *Der Mann ohne Eigenschaften* *The Man without Qualities* 1930 43 Professor Rogowski shows how successive generations of scholars have appropriated Musil for their own ends constructing a bewildering and often contradictory array of images of the author according to their own ideological and methodological biases and how this multitude of different perspectives corresponds with changes in German studies and historical developments over the past four decades In so doing he sheds new light on Musil's paradoxical status as in the words of Frank Kermode the least read of the great twentieth century novelists CHRISTIAN ROGOWSKI is assistant professor of German at Amherst College

Robert Musil Matthias Luserke, 2016-12-13 Matthias Luserke legt die erste wissenschaftliche Einführung in das Werk des österreichischen Schriftstellers Robert Musil vor Neben dem *Mann ohne Eigenschaften* werden auch der Titel die Essays Theaterstücke die kurze Prosa und der Nachlass gebührend vorgestellt Luserke gibt Anregungen für eine neue Lesart des Musilschen Werks und versucht die Musil-Forschung aus ihrer jahrzehntelangen Isolation herauszuführen und an derzeitige literaturwissenschaftliche Standards anzuschließen Ein beigefügtes Stichwortregister zum *Mann ohne Eigenschaften* hilft diesen Roman zu erschließen

Subject Without Nation Stefan Jonsson, 2000 Jonsson analyzes how Musil explains the foundation of modern theories of subjectivity Die Entstehungsgeschichte des "Mann ohne Eigenschaften" von Robert Musil Walter Fanta, 2000

Robert Musil Annie Reniers-Servranckx, 1972 Robert Musil and the Culture of Vienna Hannah Hickman, 1984 Robert Musil 1880-1942 author of *The Man without Qualities* is one of the handful of most important writers of the twentieth century Among Anglophone readers Musil has enjoyed a dedicated cult following but until recently poor translations and radical misunderstandings of his aims and techniques have retarded the full appreciation of his genius Hannah Hickman's compact survey of Musil's work and influences has won recognition as the only adequate introduction to its subject Hickman has taken advantage of a wealth of recently available evidence to give a reliable account of this often baffling and immensely subtle writer

Shadow Lines Lorna Martens, 1996-01-01 Intellectual culture in early twentieth century Austria reached levels of originality and excellence that have rarely been equalled before or since *Shadow Lines* examines works by major novelists dramatists poets and intellectuals of that extraordinary era among them Sigmund Freud Arthur Schnitzler Robert Musil Hugo von Hofmannsthal Rainer Maria Rilke Ludwig Wittgenstein and Franz Kafka Lorna Martens considers how each of these authors contributed to a decisive transformation in Austrian culture involving a shift away from the dialectical syntheses of much nineteenth century German thought and culture to potent unresolvable dualisms of known and unknown orderly and chaotic features of human experience consciousness and the unconscious reason and the irrational language and the inexpressible In most of these writers according to Martens all that is knowable reasonable and orderly is grounded in that which is dark irrational chaotic What Martens calls the dark area emerges variously as the unconscious Freud the sexual drive Freud Schnitzler Musil the death instinct Freud Schnitzler the dangerous chaos below the surface of things Rilke the inaccessible totality von Hofmannsthal or the unsayable Mauthner von Hofmannsthal Musil

Wittgenstein The essential yet enigmatic relation between the known and the unknown leads to much that is unsettling and strangely fascinating in these writers works A book that shrewdly relates the works of these authors to the intellectual and political turmoil of the times Shadow Lines is a new critical appraisal of Austrian literature and intellectual culture at the dawn of the century Lorna Martens is an associate professor in the Department of Germanic Languages and Literatures at the University of Virginia She is the author of The Diary Novel

Leben, wie man liest Kordula Glander, 2005 Unter der Leitfrage auf welche Weise sich fiktive Wirklichkeit konstituiert wird Robert Musils Hauptwerk in dieser Untersuchung über seine erzählerische Feinstruktur erschlossen Die Arbeit ist damit zugleich als Beitrag zu Narrativik und Rezeptionsästhetik angelegt Sie untersucht Grundbedingungen des Fiktiven die in Musils Roman in besonderer Weise erkennbar werden da er seine erzählerischen Mittel im Dialog mit dem Leser durchgehend reflektiert An den Nahtstellen der Fiktion Zeit Raum Geschehen ansetzend beleuchtet die Analyse im Detail vor allem irritierende Berührungspunkte zwischen verschiedenen Erzählmodi flüchtige Aussparungen Illusionsdementierungen und eine spürbare Doppelbeladung ja Selbstbeladung der sprachlichen Mittel die zugleich auf dahinter stehende Wirkungsabsichten befragt werden Erkennbar wird dabei wie sich eine je individuelle Lektürewelt vor den Augen des Lesers explizit konstituiert um gleichzeitig einen Reflexionsprozess in Gang zu setzen über Grundbedingungen fiktiver Realität mit ihren Berührungspunkten zur wirklichen Wirklichkeit all dies freilich nicht im theoretisch rationalen Durchdenken sondern in jener Sinnfälligkeit wie sie der Literatur mit ihren sprachlichen Freiheiten eigen ist Die vielfältigen Appelle an die Mitarbeit des Lesers leisten nicht zuletzt eine Neubestimmung seiner Funktion und der des Autors selbst Die im Roman geprägte Formel Leben wie man liest wird so zur Anleitung aus den Vertextungen und Aufstellungserscheinungen punktuell und transitorisch herauszufinden zu individueller Wirklichkeit

Responses to Secularization in Robert Musil's The Man Without Qualities Barbara Frances Hyams, 1982

Visionen dichterischen 'Mündigwerdens' Susan Nurmi-Schomers, 2008-12-19 In dieser Studie dient die Auseinandersetzung mit teils kanonisierten teils vernachlässigten Texten der klassischen Moderne dem Ausloten einer als visionär zu erkennenden poetologischen Tradition die einerseits auf Elemente einer idealistischen Erinnerungspoetik zu rekurrieren andererseits sich erst unter den veränderten Vorzeichen neuer geschichtlicher und epochaler Zusammenhänge zu formieren scheint Zunächst verdeckte Affinitäten zwischen Rilkes und Benjamins beim Wiederleisten der Kindheit ansetzenden Erinnerungspoetiken treten unausgesprochen vor dem Hintergrund von Prousts einflussreicher Erinnerungstheorie zu Tage wobei die poetologische Bedeutung von neu gelesenen bzw in neuen Zusammenhängen gelesenen Texten interpretatorisch aufgedeckt wird Prousts Unterscheidung zwischen willkürlichem und unwillkürlichem Erinnern erweist sich wiederum als aufschlussreich für die Beschäftigung mit Musils dichterisch wie essayistisch exerzierter Erkenntniskritik und der hieraus ableitbaren visionären Poetologie All den hier aufgesparten Visionen dichterischen Mündigwerdens liegt ein Totalitätsanspruch zu Grunde der wie die Aporetik des jeweiligen Telos der jeweiligen Lösungsformel kritisch reflektiert wird

Ein endloser Knoten? Roland Kroemer, 2004 Die Verwirrungen des Z

glings T rle Robert Musils erster Roman geh rt zu den r tselhaftesten Werken der Literaturgeschichte Kurz nach 1900 erschienen beschreibt der Text den allm hlichen Verlust der ontologischen Sicherheit und den Einbruch einer irrationalen hinter den Alltagskulissen verborgenen Welt Trotz einer kaum noch berschaubaren Sekund rliteratur geht es dem Leser hnlich wie der Titelfigur T rle Immer wieder glaubt er die dargestellten Verwirrungen begriffen zu haben nur um kurz darauf feststellen zu m ssen dass sie sich dem sprachlichen Zugriff erneut entzogen haben Roland Kroemers Buch beschreibt diesen endlosen Knoten und entwirrt ihn vor dem Hintergrund verschiedener Diskurse aus Soziologie Psychoanalyse und Philosophie In detaillierten Textanalysen und breitgestreuten Verweisen auf diverse zeitgen ssische Kontexte zeigt die Untersuchung erstmals auf dass sich die wichtigsten von Musil rezipierten geistes wissenschaftlichen Diskurse in der r umlichen wie personellen Textgestaltung wiederfinden Der T rle entpuppt sich als intertextueller und polyphoner Erz hltext in dem die unterschiedlichsten Weltbilder aufeinandertreffen und um die Vorherrschaft k mpfen Mental Processes and Narrative Possibilities in the German Novelle, 1890-1940 David Turner, 2005 Although it concentrates on a particular historical period and although it examines a variety of individual works many of them acknowledged Novellen this study is neither an historical survey nor a collection of interpretations Its distinctive approach is taxonomical and comparative Taking as its starting point the surge of interest in the human mind as the nineteenth century drew to a close it examines the kinds of shorter narrative that were generated by that interest On the other hand therefore it investigates how by focusing on particular aspects of the mind writers were led to adopt certain narrative patterns or structures and on the other hand building on the work of Dorrit Cohn but extending her range considerably it explores and evaluates the different modes of presentation which writers exploited as they sought to give life to the inner workings of their characters According to some psychology and the Novelle are incompatible Although the investigation concludes that there is no inherent incompatibility between psychological interest and the aims of the Novelle it also demonstrates that psychological interest in shorter narratives does not always lead to Novellen it explores other narrative structures that may arise when particular models of the mind form their basis Rahmenerzhlungen der Moderne Gerrit Stratmann, 2000

As recognized, adventure as with ease as experience more or less lesson, amusement, as well as covenant can be gotten by just checking out a ebook **Robert Musil Konstanz Und Entwicklung Von Themen Motiven Und Strukturen In Den Dichtungen** furthermore it is not directly done, you could take on even more concerning this life, just about the world.

We have enough money you this proper as capably as simple way to get those all. We offer Robert Musil Konstanz Und Entwicklung Von Themen Motiven Und Strukturen In Den Dichtungen and numerous book collections from fictions to scientific research in any way. in the course of them is this Robert Musil Konstanz Und Entwicklung Von Themen Motiven Und Strukturen In Den Dichtungen that can be your partner.
