**Robert Browning and His World** Maisie Ward, **Robert Browning** Stefan Hawlin, 2012-09-10 Accessibly written throughout this guidebook covers biographical details information on the historical and social contexts of Browning's work an overview of the full range of his work and a survey of the major critical debates surrounding him and his work **Robert Browning** S. Wood, 2001-05-04 Browning both denied and affirmed the value of biography for an understanding of literature This book narrates the development of his controversial creative life through responses to his work by five key nineteenth century figures John Stuart Mill William Charles Macready Thomas Carlyle John Ruskin and Matthew Arnold It also relates Browning's sense of literary vocation to Victorian publishing Browning emerges as a writer vividly engaged with contemporary assumptions yet deeply aware of the unaccountability of writing **Robert Browning's Asolando** Richard S. Kennedy, 1993 Originating in a series of lectures he gave at the New York Browning Society in the spring of 1990 Kennedy's English emeritus Temple U study fuses biography and critical commentary to provide an account of Browning's 1812-1889 last years and his last volume of poems Annotation copyright by Book News Inc Portland OR *Robert Browning and His World* Maisie Ward, 1969 *Browning's Later Poetry, 1871-1889* Clyde de L. Ryals, 2019-06-30 Maintaining that Browning's later work has been underestimated Professor Ryals gives close sophisticated readings of the individual poems covering each of the published volumes from *Balaustion's Adventure through Asolando* He emphasizes the overall structure of a poem and the manner in which themes and ideas are presented The later Browning is portrayed as a poet intent upon discovering forms that would give shape and meaning to thought and experience **Robert Browning and His World** Maisie Ward, 1969 **Browning's Beginnings** Herbert F. Tucker Jr., 1980-12-31 Browning's *Beginnings* was first published in 1980 Minnesota Archive Editions uses digital technology to make long unavailable books once again accessible and are published unaltered from the original University of Minnesota Press editions *Browning's Beginnings* offers a fresh approach to the poet who among major Victorians has proved at once the most congenial and most inscrutable to modern readers Drawing on recent developments in literary theory and in the criticism of romantic poetry Herbert F. Tucker Jr. argues that Browning's stylistic obscurity is the result of a principled poetics of evasion This art of disclosure in deferring formal and semantic finalities constitutes an aesthetic counterpart to his open ended moral philosophy of incompleteness Browning's poems like his enormously productive career find their motivation and sustenance in his optimistic love of the future a love that is indistinguishable from his lifelong fear that there will be nothing left to say The opening chapters trace the workings of Browning's art of disclosure with extensive and original interpretations of the unduly neglected early poems *Pauline Paracelsus* and *Sordello* and place special emphasis on Browning's attitudes toward poetic tradition and language A chapter on Browning's attitudes toward poetic tradition and language A chapter on Browning's plays identifies dynamics of representation in *Pippa Passes* *Strafford* and *King Victor and King Charles* Tucker discusses the pervasive analogy between

Browning's ideas about poetic representation and about representation in its erotic and religious aspects and shows how the early poems and plays illustrate correlative developments in poetics and in the exploration and dramatic rendering of human psychology. The remaining chapters follow the poetic psychology of Browning to its culmination in the great poems of his middle years. Exemplary readings of selected dramatic lyrics and monologues suggest that the ways of meaning in Browning's mature work variously bear out the sense of endlessness or perpetual initiation that is central to his poetic beginnings. Tucker thus contends that the romantic and the Victorian Browning have more in common than is generally supposed and his book should appeal to students of both periods. Its discussion of general literary issues poetic influence closure representation and meaning in application to particular texts should further recommend Browning's *Beginnings* to the nonspecialist reader interested in poetry and poetic theory.

Becoming Browning Clyde de L. Ryals, 1983 *Browning: Men and Women and other Poems* J.R. Watson, 1974-01-01 Each Macmillan Casebook concerns a classic of English literature or significant modern work. Occasional volumes in the series will deal with closely related works. Each casebook brings together the best of modern criticism along with a generous selection of earlier reviews and comment and any useful information that readers might need. The introduction discusses the critical reputation of the work from the time of its publication to the present day. Each volume aims to give its readers a heightened sense of the interest and vitality of the work under discussion and of the value of a critical response.

**There Were Also Many Women There** Katherine E. Harmon, 2013-01-01 Where are the women in liturgical history? In considering the influential liturgical movement in the United States during the first half of the twentieth century, Katharine E. Harmon reveals that the reality is analogous to Matthew's account of the crucifixion of Jesus: there were also many women there. Matt 27:55. In this groundbreaking study, Harmon considers women's involvement in the movement. Here readers explore the contributions of Maisie Ward, Dorothy Day, Catherine de Hueck Doherty, Ade Bethune, Therese Mueller, and many others. Harmon shows how movements and institutions such as progressivism, Catholic women's organizations, Catholic Action, the American Grail Movement, and daily Catholic family life played a prominent role in the liturgical renewal. The historical record is clear that women were there; they ministered to the Mystical Body, and their important work must be recognized.

The Brownings Joanna Richardson, 1986 Browning Roy E. Gridley, 2016-04-28 First published in 1972, Browning was a keen observer and dramatic recorder of nineteenth-century European culture; his poetry reflects a wide range of intellectual, religious, and artistic issues of his day. Roy E. Gridley shows here that during the six decades of Browning's active writing career (1832-89), his poetry is a record and an interpretation of the changing modes of thought, feeling, and expression of nineteenth-century life. Browning was a romantic who, by virtue of his realistic and often revolutionary poetry, became a modern and had considerable influence on writers such as Yeats, Eliot, and Pound. While surveying the whole of Browning's life and work, Gridley focuses closely on the more famous poems, examining them as documents that give the general reader a deeper appreciation of the richness and diversity of life in Victorian Europe.

Robert Browning John Woolford, Daniel Karlin, 2014-09-11 Robert Browning 1812-89 rivals Tennyson as the major Victorian poet with such important works as *Dramatic Lyrics*, *Dramatic Romances and Lyrics*, *Men and Women*, *Dramatic Personae* and the monumental *The Ring and the Book*. He is known for his development of the dramatic monologue in which he recreated the world of Renaissance Italy and provided subtle and complex explorations of character. Here Daniel Karlin and John Woolford provide a thematic survey of Browning's often difficult work using key poems as a common point of reference. The themes covered include styles, genres, the mind, the world, interaction and criticism. This excellent survey will be of value to students of Victorian literature and modernism.

**Elizabeth Barrett Browning** Dorothy Mermin, 1989-06-15 Elizabeth Barrett Browning 1806-61 was the first major woman poet in the English literary tradition. Her significance has been obscured in this century by her erasure from most literary histories and her exclusion from academic anthologies. Dorothy Mermin's critical and biographical study argues for Barrett Browning's originative role in both the Victorian poetic tradition and the development of women's literature. Barrett Browning's place at the wellhead of a new female tradition remains the single most important fact about her in terms of literary history and it was central to her self-consciousness as a poet. Mermin's study shows that Barrett Browning's anomalous situation was constantly present to her imagination and that questions of gender shaped almost everything she wrote. Mermin argues that Barrett Browning's poetry covertly inspects and dismantles the barriers set in her path by gender and that in her major works *Sonnets from the Portuguese*, *Aurora Leigh* and her best political poems *A Musical Instrument*, difficulty is turned into triumph, incorporating the author's femininity, her situation as a woman poet and her increasingly substantial fame. Mermin skillfully interweaves biography and close readings of the poems to show precisely how Barrett Browning's life as a woman writer is a part of the essential meaning of her art. Both her personal and her literary achievements are exceptionally well documented, especially for her formative years. Mermin makes extensive use of the poet's early essays, a diary covering most of her twenty-sixth year and the enormous number of letters that have survived. Ranging from her earliest ambitions through her long periods of discouragement and illness to her happy married life with Robert Browning, this comprehensive study of Elizabeth Barrett Browning is essential reading for students of the Victorian period, English literature and women's studies.
