Robert Jacob Gordon, 1743-1795 Patrick Cullinan, Robert Jacob Gordon, 1992 *The Last Voyage of the Guardian, Lieutenant Riou, Commander, 1789-1791* Edward Riou, 1990 *Landscape and Power, Second Edition* William John Thomas Mitchell, W. J. T. Mitchell, 2002-04-15 This text considers landscape not simply as an object to be seen or a text to be read but as an instrument of cultural force a central tool in the creation of national and social identities This edition adds a new preface and five new essays [Assegais, Drums & Dragoons](#) Willem Steenkamp, 2012-03-22 What motivated a small multiracial force of Cape born soldiers whites coloureds and Malays to put up such stiff resistance at the Battle of Blaauwberg in 1806 in spite of odds so overwhelming that even some long serving professional soldiers broke rank and ran This was the intriguing question that launched author Willem Steenkamp s research It was an investigation which eventually took him back to 150 years before Jan van Riebeeck landed at the Cape in 1652 and involved examining the social as well as the military history of the Cape What Steenkamp discovered differs from what most South Africans think about that period and he corrects a number of serious misconceptions not only about the soldiers of 1510 1806 but about the social and political development of the Cape For students of the Napoleonic Wars the book provides new information about a forgotten aspect of that conflict for the ordinary reader here is a story no one has ever told before in its entirety [Assegais Drums and Dragoons](#) A Military and Social History of the Cape is a well researched and fascinating account that now illuminates a previously lightless corner of South African military history Descended from a 1690s era soldier Willem Steenkamp is a writer journalist and specialist tour guide who has also been a soldier a security advisor and a director of military tattoos and other spectacles among several other things Since childhood he has been absorbing the Cape s history from family stories one of his ancestors was a hero of the Battle of Blaauwberg and voluminous reading And yes he actually has fired flintlock muskets and muzzle loading cannon Willem lives in Cape Town **Dictionary Of British And Irish Botanists And Horticulturalists Including plant collectors, flower painters and garden designers** Ray Desmond, 2020-12-23 Over the past four centuries botanists and gardeners in the British Isles have gathered maintained and propagated many varying species of plants Their work has been documented in innumerable books and articles which are often difficult to trace The Dictionary of British and Irish Botanists and Horticulturalists represents a time saving reference source for those who wish to discover more about the lives and achievements of the horticulturalists listed The dictionary s utility comes not only from indicating the major publications of the named authors but also the location of their herbaria and manuscripts The previous 1977 edition of the Dictionary has for many years been a much used source of information for botanists botanic artists and archivists In this revised edition the scope has been expanded to include among its 13 000 entries flower painters in addition to botanical artists over 1400 entries and for the first time garden designers Finally the Dictionary should have international appeal since so many botanists and gardeners worked on collective plants overseas in particular in North America and the

British Commonwealth Each entry gives wherever possible details of dates and places of birth and death educational qualifications professional posts honours and awards publications location of plant collections manuscripts drawings and portraits Its main function however is to provide further biographical references to books and periodicals Comprehensive classified indices facilitate access by professions and activities countries and plant interests
