Partnership in Space Ben Evans,2013-10-04 April 12 2011 was the 50th Anniversary of Yuri Gagarin s pioneering journey into space To commemorate this momentous achievement Springer Praxis has produced a mini series of books that reveals how humanity s knowledge of flying working and living in

space has grown in the last half century Partners in Space focuses on the early to late 1990s a time in the post Soviet era when relations between East and West steadily though not without difficulty thawed and the foundations of real harmony and genuine co operation were laid for the first time with Shuttle Mir and the International Space Station This book explores the events which preceded that new era including the political demise of Space Station Freedom and the consequences of the fall of the Soviet Union on a once proud human space program It traces the history of the Partnership through the often traumatic times of Shuttle Mir and closes on the eve of the launch of Zarya the first component of today s International Space Station

The Canadian Space Program Andrew B. Godefroy, 2017-05-03 Canada s space efforts from its origins towards the end of the Second World War through to its participation in the ISS today are revealed in full in this complete and carefully researched history Employing recently declassified archives and many never previously used sources author Andrew B Godefroy explains the history of the program through its policy and many fascinating projects He assesses its effectiveness as a major partner in both US and international space programs examines its current national priorities and capabilities and outlines the country s plans for the future Despite being the third nation to launch a satellite into space after the Soviet Union and the United States being a major partner in the US space shuttle program with the iconic Canadarm being an international leader in the development of space robotics and acting as one of the five major partners in the ISS the Canadian Space Program remains one of the least well known national efforts of the space age This book attempts to shed a clearer light on the progress made by the CSA thus far with more ambitious goals ahead Technical information diagrams glossaries a chronology and extensive notes on sources are also included in this volume

Maple Leaf in Space John Melady, 2011-01-11 The launch of a spaceship is exciting and thousands of people come to watch What makes it even more exciting is when we see fellow Canadians like Robert Thirsk Julie Payette and Guy Lalibert onboard Maple Leaf in Space showcases Canadians who have ventured off our planet and delivers some of the thrill of what that s like

Canadian Women in the Sky Elizabeth Gillan Muir, 2015-11-14 Canadian Women in the Sky traces a century of Canadian women s progress in aviation and space flight From the first woman to climb on aboard a flying machine as a passenger to a female astronaut s second visit to the International Space Station these women cracked the sky blue glass ceiling to achieve their dreams
