mining town of Elliot Apparently Reid has more experience with police corruption than with marriage and lets his honeymoon slide into an ever widening abyss of rural politics and small town backstabbing Maybe it s all for the best because Elliot is no place for a honeymoon A classic dying western outpost complete with chronic bar fights and instant justice Elliot revolves around cops taking kickbacks from hotel managers who in turn are making a fortune from roving prostitutes serving the local miners every payday When one hotel manager turns up murdered the cauldron seems ready to boil over With the only man willing to talk dead Reid and Sam go undercover mining the depths of deception in order to bring down the house Every institution stands to be overturned and Freda learns that marriage may be one of them Can she make a life out of watching her new husband thrown willingly into harm s way Can Reid and Sam get out of trouble Danger full bodied characters and enough detail about police work and survival techniques to complement Bennett s role as the most savvy cop currently in the genre Library Journal *Holstein-Friesian World* ,1922 **Planely Speaking: Inflight Insight from Thirty Thousand Feet** Bobby Laurie,2010-07-11 Planely Speaking takes you for a ride as a flight attendant with author and popular flight attendant blogger Bobby Laurie Follow along as Bobby begins his career in the skies through airline interviews and initial training Then after earning his wings multiple times witness the best and worst of airline passengers delays and on board problems If you re interested in becoming a flight attendant Planely Speaking includes tips and tricks for getting hired and resources to obtain more information about the career Bobby Laurie best known as being an internet personality for blogging about being a flight attendant and for serving as co host of the UPGRD com podcast The Crew Lounge www.thecrewlounge.com info has taken the best of his blog and created Planely Speaking to share his experiences and insights from thirty thousand feet with the travelling public
