Sailing To The Edge Of Fear:

Sailing to the Edge of Fear Frank Dye,1999 These selections from the extensive logs kept by renowned open boat sailor Frank Dye tell the astonishing story of Frank s journey up the Atlantic coast from Florida to the Great Lakes in a 16 foot Wayfarer dinghy with no radio engine or radar

Sailing to the Edge of Time John Kretschmer,2018-11-13 John Kretschmer is sailing s practical philosopher as much a doer as a thinker And that is the overarching theme of this chronicle of a sailing life Often amusing sometimes poignant occasionally terrifying but always inspiring his deeply personal account is a welcome reminder of the good life waiting at sea With hundreds of thousands of nautical miles under his keel John s adventures have taken him several times around the world with challenging crossings of the Atlantic and the Pacific a narrow escape from a coup in Yemen an unlikely deliverance from a coral reef off Belize as well as more serene introspective passages where trade winds are blowing and stories are flowing His crew has included CEOs actors writers teachers kids in essence everyone John s narrative is interwoven with practical tips and advice in seamanship but also and just as importantly his hard won insights about making the most of our lives He truly believes we find out who we really are and what we are capable of far from the shackles of land when we find a place where time changes shape days may merge into one another but minutes are memorable To live adventurously is to live more fully and that is the life John Kretschmer continues to live In this book he shares his simple profundities that will inspire those who live to sail and those seeking something more rewarding from life

On Fear's Edge Vickie Lee White,2016-02-19 It is in the Eastern part of Tennessee this story begins in the small town of Johnson City located one hundred miles northeast of Knoxville a lovely city nestled in among lush green mountains The year is 1954 population 23 000 Johnson City is a town that has flourished from its beginning It is rich in history but this is not a story of history This story centers on the strife and hardships of one dirt poor Southern family and one little girl s will to survive survive not only as a child but long after Her name is Callie James and Callie tells the story

Sailing Directions for the Coast of North America, from New York to Cape Florida, Etc North AMERICA,1854

Voyages into the Unknown Bruce Moen,1997-08-01 The author says I m just an ordinary human being whose curiosity about human existence beyond death led me to extraordinary experience If there is any difference between you and me it is only that my curiosity has already led me to explore and know what lies beyond death in the Afterlife This fascinating volume recounts the story of some of his voyages past the edge of life using techniques learned at The Monroe Institute Moen describes for the reader how to access this knowledge for themselves and to learn what the Afterlife really is

Overcoming Worry and Generalised Anxiety Disorder, 2nd Edition Mark Freeston,Kevin Meares,2015-05-07

Overcoming app now available Up to 44 in every 1000 adults suffer from a condition known as Generalised Anxiety Disorder This is much more than the normal worrying we all do it can be a debilitating disorder leading to significant personal and social problems and sometimes financial loss Using established and proven CBT techniques expert clinicians Kevin Meares

and Mark Freeston help readers to understand that it is their propensity to worry not the multitude of problems they worry about that is the root of the problem The user friendly step by step approach explains why they worry how to recognise what feeds it and develop effective methods of dealing with it With each step the authors introduce new ideas that add to the picture of worry and use questionnaires exercises and tasks to help the reader understand and then challenge unhelpful habits and beliefs

Astral Projection and the Nature of Reality John Magnus,2025-09-12 Astral Projection and the Nature of Reality goes beyond preconceived notions about how to get out of the body and then back in as well as the dimensions to which the outofbody adventurer can travel Magnus starts with a brief history of astral projection and then guides the reader through a stepbystep course for reliable projection He explains how once outofbody we create our own astral world and he offers techniques for understanding our mind and the nature of reality Magnus offers detailed exercises and proven techniques for reliably exiting your body confronting the basic fears that can hold you back taking advantage of psychic side effects taming your mind navigating a world in which you have the ultimate power to create integrating the lessons you learn from OBEs into your everyday reality replenishing your energy and much more Plus incisive journal entries of his many outofbody adventures will convince you that it can be done and give you the inspiration to go farther than you ever thought possible

Southern Edge Barbara Temperton,2014-12-30 In this collection of three long narrative poems Temperton conjures up the highs and lows of the coastal environment to explore the effects of nature s Powerful forces at work on human existence An impressive third collection written with flair passion and the ability to look unpleasant realities in the eye
