

INFORMATIONAL TEXT DIRECTIONS

1. Print a copy of each Informational Text page.

2. Select one page to read.

3. Have your student dissect the page by identifying what he/she sees on the page including:

- title
- text
- image
- chart
- other

4. Have your student read the text (independently if possible.)

5. Discuss what the text was about with these possible talking points:

- What did you learn about this topic?
- Did you learn any new words?
- Did any facts stand out to you as important, interesting, weird, surprising?
- Would you want to learn more about this topic? Why?
- How could you use this new information?

6. Have your student read the first question & underline the answer in the text.

7. Have your student answer the question.

8. Repeat for the other questions.

PRO TIPS

- Before having your student read the pages, discuss the similarities and differences between what they see on each page. Help them identify the Words to Know section, identifying labels, pie chart, etc.
- Before they read, do NOT have them read the questions. This will encourage them to focus on the entire passage and not just hunt for the answers.
