Traditional Music in Coastal Louisiana Joshua Clegg Caffery,2013-11-05 Alan Lomax s prolific sixty four year career as a folklorist and musicologist began with a trip across the South and into the heart of Louisiana s Cajun country during the height of the Great Depression In 1934 his father John then curator of the Library of Congress s Archive of American Folk Song took an eighteen year old Alan and a 300 pound aluminum disk recorder into the rice fields of Jennings along the waterways of New Iberia and behind the gates of Angola State Penitentiary to collect vestiges of African American and Acadian musical tradition These recordings

now serve as the foundational document of indigenous Louisiana music Although widely recognized by scholars as a key artifact in the understanding of American vernacular music most of the recordings by John and Alan Lomax during their expedition across the central southern fringe of Louisiana were never transcribed or translated much less studied in depth This volume presents for the first time a comprehensive examination of the 1934 corpus and unveils a multifaceted story of traditional song in one of the country's most culturally dynamic regions Through his textual and comparative study of the songs contained in the Lomax collection Joshua Clegg Caffery provides a musical history of Louisiana that extends beyond Cajun music and zydeco to the rural blues Irish and English folk songs play party songs slave spirituals and traditional French folk songs that thrived at the time of these recordings Intimate in its presentation of Louisiana folklife and broad in its historical scope *Traditional Music in Coastal Louisiana* honors the legacy of John and Alan Lomax by retrieving these musical relics from obscurity and ensuring their understanding and appreciation for generations to come Includes Complete transcriptions of the 1934 Lomax field recordings in southwestern Louisiana Side by side translations from French to English Photographs from the 1934 field trip and biographical details about the performers

ROMAN SALUTES are from ROME, NEW YORK - Exposed by Historian Dr. Rex Curry - Roman Salutes & Nazi Salutes are Bellamy Salutes from Military Salutes

Ian Tinny, Horatius Romano, Cherie Koury, Micky Barnetti, Francis Bellamy was an American socialist and the author of the USA's Pledge of Allegiance to the flag This book explains how Bellamy's pledge resulted in the stiff arm salute that inspired socialists worldwide including Adolf Hitler when he headed the National Socialist German Workers Party and Benito Mussolini when he was a socialist leader too Bellamy was born May 18 1855 and raised in Rome That was the city of Rome in the state of New York not in Italy Bellamy's connection to Rome NY is important because it was the origin of the ancient Roman salute myth that the stiff armed gesture used in the USA's early Pledge is a gesture from the ancient Roman Empire that was debunked by Professor Rex Curry America's Historian Laureate Because Bellamy was from Rome NY the term Roman salute was used to refer to the gesture for Bellamy's pledge Roman salute referred to the stiff armed gesture the classic Nazi salute that developed from Bellamy's initial gestures i.e. the Military salute Roman salutes and Nazi Salutes are Bellamy Salutes from Military Salutes Or to put it another way Nazi salutes came from Military salutes in Bellamy salutes as Roman salutes People from Rome New York were referred to as Romans during Bellamy's life and they continue to refer to themselves as Romans today Francis Bellamy himself was referred to as a Roman because of his connection to Rome NY As time went by people became confused and believed that the Roman salute referencing the city within New York State was instead a reference to ancient Rome in Italy The early stiff armed gesture in the USA's Pledge of Allegiance was not from ancient Rome There was no such thing as an ancient Roman salute The modern Roman salute myth evolved from the USA's Pledge of Allegiance In 1892 Bellamy became chairman of the National Education Association's NEA executive committee for a National Public School Celebration NPSC The NPSC was part of Bellamy's plan to write the larger program that contained

the smaller part known as the Pledge of Allegiance Francis Bellamy used his position with the National Education Association NEA to promote Military Socialism the doctrine that he touted with his cousin Edward Bellamy The Pledge of Allegiance was part of Francis Bellamy's and NPSC's and NEA's scheme for government to take over education and to socialize all schools Francis's scheme met with great success Francis's dogma caused the Rome Free Academy where Bellamy had attended school in Rome and which began as a private school to become a government owned bureaucratic socialist school Bellamy is the reason why for decades Rome Free Academy RFA students performed the Nazi salute each morning for twelve years at the start of classes Bellamy's flag pledge continues to haunt RFA each morning although New York's Roman Salute has been changed to cover up its disturbing past New York continues to mandate the antiquated pledge ritual for NY schools Children will never be taught about its history After schools were socialized in the USA the government's schools imposed segregation by law and taught racism as official state policy socialist school policy Both types of student bodies repeated the Nazi salute daily and intoned to the flag A Wikipedia page for the Rome Free Academy lists Notable Alumni but does not include Francis Bellamy Wikipedia's lies change by the millisecond so it might have changed in response to this book Bellamy had a greater impact on the school than any of the other Notable Alumni If Francis Bellamy is added to the list you can bet that Wikipedia's socialist liars will not allow how Bellamy altered the RFA school nor any other facts in this book Francis Bellamy is America's top Roman too It is time for Rome New York to proudly seize its hallowed status in American Heritage and in World Heritage
