Scriptures Of East:

The Doctrine of Scripture Brad East, 2021-08-27 When Holy Scripture is read aloud in the liturgy the church confesses with joy and thanksgiving that it has heard the word of the Lord What does it mean to make that confession And why does it occasion praise The doctrine of Scripture is a theological investigation into those and related questions and this book is an exploration of that doctrine It argues backward from the church's liturgical practice presupposing the truth of the Christian confession namely that the canon does in fact mediate the living word of the risen Christ to and for his people What must be true of the sacred texts of Old and New Testament alike for such confession and the practices of worship in which they are embedded to be warranted By way of an answer the book examines six aspects of the doctrine of Scripture its source nature attributes ends interpretation and authority The result is a catholic and ecumenical presentation of the historic understanding of the Bible common to the people of God across the centuries an understanding rooted in the church's sacred tradition in service to the gospel and redounding to the glory of the triune God

Words of Christ in red. *Parenting from the Scriptures and Scriptures for the Parents*. Mark Lovis, 2017-01-26. Teach children how they should live and they will remember it all their life. Proverbs 22:6. NLT: Most children will grow up and leave home with very little knowledge of where to find the answers to their questions. As a result, the family is likely to experience many years of struggle and frustration. This book will equip parents, pastors, counselors, teachers, Christian groups, church groups, and most of all, children with the information they need to learn Bible principles. The Topical Guide will enable them to use the Bible as a tool to find Scriptures that will help them with guidance for specific problems and questions children may have. Part 1 is a Topical Guide divided into 101 categories listed from A-Z. Below are a few topics covered in this section: Afraid, Angry, Attitude, Being Yourself, Bullying, Cheating, Complaining, Disrespect, Do Unto Others, Friends, Gossip, Greedy, Hate, Jealousy, Lazy, Learning, Lying, Meanness, Pay Back, Prayer, Rewards, Self Control, Sorry, Stealing, Stubborn, Talks Too Much, Temptation, Wisdom, and Understanding, Worry. There are also eight bonus sections in Part 2: God's wisdom is in the Bible, and this book shows you specifically where to find it for each of the 109 categories. This book gives parents the information they need to learn God's wisdom so they can teach their family how to be the individuals God wants them to be. If a family is to experience a good life with minimal struggles, they must first acquire the right attitude, second, they must learn how to learn, and third, they must learn God's wisdom and understanding to guide them in making the right choices. All Scripture is given by God, and all Scripture is useful for teaching and showing people what is wrong in their lives. It is useful for correcting faults and teaching the right way to live.
