The Christological Witness Function of the Old Testament Characters in the Gospel of John

Sanghee M. Ahn, 2014-06-16 This book investigates the narrative function of the Old Testament characters in the Gospel of John The intriguing thesis is that the Hebrew characters in John s narrative uniformly function as a witness for the messianic identity of Jesus The Jewish scriptural traditions Hebrew and intertestamental ones are compared to shed light on John s indebtedness for its formation of his Christology A compelling argument ensues that informs our understanding not only of the Gospel itself but also of Jesus Christ revealed in the Gospel
