Scrutiny Of Evidence Relating To The Hillsborough Football Stadium Disaster Treaty Series No 69:

Scrutiny of Evidence Relating to the Hillsborough Football Stadium Disaster, 1998 **The Report of the Hillsborough Independent Panel** Hillsborough Independent Panel, 2012-09-12 96 women men and children died as a result of the disaster in Hillsborough Stadium on 15 April 1989 They were crushed due to overcrowding in the Leppings Lane terrace penned in by the ground s fencing Hundreds more were injured and thousands traumatised Lord Justice Taylor led a judicial inquiry 1990 Cm 962 ISBN 9780101096225 concluding that the main cause of the disaster was the failure of police control The next 11 years saw a variety of investigations and proceedings including a scrutiny of new evidence Lord Justice Stuart Smith 1998 Cm 3878 ISBN 9780101387828 Yet many bereaved families felt that the true context circumstances and aftermath had not been adequately made public and were particularly aggrieved that it had become widely assumed that Liverpool fans behaviour had contributed to the disaster The Independent Panel was established in 2010 to oversee full public disclosure of all documents relating to the disaster and to report on its work This report is in three parts Firstly it shows what was already known and in the public domain by 2010 Secondly in 12 detailed chapters it describes what the disclosed documents add to public understanding The third part gives a review of options for providing an archive of the documents The disclosed documents available at <http://panel.hillsborough.independent.gov.uk> add considerably to public understanding They show that multiple factors were responsible for the tragedy and that the fans were not the cause The report also shows that the bereaved families met a series of obstacles in their search for justice over more than 20 years

Hillsborough - The Truth Phil Scraton, 2016-06-16 This is the definitive unique account of the disaster in which 96 men women and children were killed hundreds injured and thousands traumatised It details the appalling treatment endured by the bereaved and survivors in the immediate aftermath the inhumanity of the identification process and the vilification of fans in the national and international media In 2012 Phil Scraton was primary author of the ground breaking report published by the Hillsborough Independent Panel following its new research into thousands of documents disclosed by all agencies involved Against a backdrop of almost three decades of persistent struggle by bereaved families and survivors in this new edition he reflects on the Panel s in depth work its revelatory findings and their unprecedented impact an unreserved apology from the Prime Minister new criminal investigations the Independent Police Complaints Commission s largest ever inquiry the quashing of 96 inquest verdicts a review of all health and pathology policies Paving the way for truth recovery and institutional accountability in other controversial cases he details the process and considers the impact of the longest ever inquests from the preliminary hearings to their comprehensive devastating verdicts Powerful disturbing and harrowing Hillsborough The Truth exposes the institutional complacency that led to the unlawful killing of the 96 revealing how the interests of ordinary people are marginalised when those in authority sacrifice truth and accountability to protect their reputations **The Hillsborough Disaster** Mike Nicholson, 2016-05-23 An examination of the Hillsborough disaster

drawing on eyewitness accounts and interviews with those who were there and those most affected
