 María José Martínez Sánchez,2020-07-28 Dynamic Cartography analyses the works of Rudolf Laban Lawrence Halprin Anne
 Bogart Adolphe Appia Cedric Price Joan Littlewood and H lio Oiticica They are practitioners who have worked on different
 areas of enquiry from the existing relations between body and space through movement events or actions but whose work
 has never been presented from this perspective or in this context The work and methodologies set up by these practitioners
 enable us to develop a practice based exploration Some of the experiments in the book Micro actions I and II explore the
 presence of the body in the space In Kinetography I and II Laban s dance notation system kinetography is used to create
 these dynamic cartographies Kinetography III proposes the analysis of an urban public space through the transcription of the
 body movement contained on it The series Dynamic Cartographies I II and III analyses movement in geometrically controlled
 spaces through the Viewpoints techniques by Anne Bogart Finally Wooosh and Trelick Tales present two projects in which
 performance is applied in order to analyse and understand urban and architectural space Special Bibliography Series

 Snodgrass,2020-04-01 In recent years music theory educators around the country have developed new and innovative
 teaching approaches reintroducing a sense of purpose into their classrooms In this book author and veteran music theory
 educator Jennifer Snodgrass visits several of these teachers observing them in their music theory classrooms and providing
 lesson plans that build upon their approaches Based on three years of field study spanning seventeen states coupled with
 reflections on her own teaching strategies Teaching Music Theory New Voices and Approaches highlights real life teaching
 approaches from effective and sometimes award winning instructors from a wide range of institutions high schools
 community colleges liberal arts colleges and conservatories Throughout the book Snodgrass focuses on topics like classroom
 environment collaborative learning undergraduate research and professional development and curriculum reform She also
 emphasizes the importance of a diverse progressive and inclusive teaching environment throughout from encouraging
 student involvement in curriculum planning to designing lesson plans and assessments so that pedagogical concepts can
 easily be transferred to the applied studio performance ensemble and other courses outside of music An accessible and
 valuable text designed with the needs of both students and faculty in mind Teaching Music Theory provides teachers with a
 vital set of tools to rejuvenate the classroom and produce confident empowered students Liszt, Wagner, and the Princess
