mysteries of the modern world For centuries pomp and pageantry have hidden from view the dramatic sometimes sinister realities that haunt the office of Supreme Pontiff and the men who make up his papacy Gordon Thomas and Max Morgan Witts now bring their tremendous investigative talent to this most secret of institutions offering us an unrivaled portrait and day to day account of the lives personalities and relationships of the three most recent popes an equally fine account of the hour by hour deliberations of the closely guarded conclaves at which two popes were elected in the fateful year of 1978 and a remarkable rendering of the concrete issues facing the institutional papacy in foreign affairs economic matters and the human factor the highly individual ambitions loyalties and hatreds that characterize the men and women who serve the Holy Father The result is a book that is ahead of the world s headlines a book that makes headlines of its own Not only have the authors brought the world of the Vatican into the open their sleuthing has uncovered several major news stories Pontiff includes a day to day account of the assassination attempt by Mehmet Ali Agca upon John Paul II Agca s history and family his right wing political connections his activities and jailing in Turkey his escape from jail aided by the KGB his movements through terrorist training camps in Libya and Syria and a complete investigation of the Bulgarian connection that led to the shooting in St Peter s Square Here also is the story of John Paul II s involvement with the creation of Solidarity in Poland and his almost daily secret contacts with Lech Walesa as well as the unprecedented letter to Brezhev threatening his resignation from the papal throne In addition owing to the authors intricate web of connections at the Vatican including many cardinals the book contains previously unknown information about the man entrusted with the Church s money Paul Marcinkus and his relationship with the shadowy Michele Sindona Pontiff is a fascinating revelation of a world previously unknown to us and an intimate view of a few men in Rome trying to lead an increasingly unwilling world to their own vision of salvation

was indeed Jack the Ripper *The Sinner's Sanctuary* Hugh Binning, 2025-05-20 The Sinner's Sanctuary consists of a series of forty sermons on Romans 8:1-15. They were preached by Hugh Binning, minister in Govan (now part of Glasgow) on the south bank of the River Clyde in the west of Scotland. Walking readers through the apostle Paul's argument, Binning carefully explains the safety and freedom saved sinners experience through life united to Christ and walking according to His Spirit. The results are particularly powerful and comforting for believers. These sermons are representative of Binning's all too brief ministry from 1650 until his death in 1653 at the age of twenty-six. He was by any measure a remarkable minister.
