Romer, 1998 The first modern translation of one of the world's earliest ethnographies **The Cyprus Referendum** Chrysostomos Pericleous, 2009-06-17 The Cyprus referendum of 2004 was a definitive moment in the recent history of Cyprus The island's future hung in the balance specifically the fate of the controversial Annan Plan which proposed the creation of a single United Cyprus Republic with two constituent states Accepted by the Turkish side but rejected by Greek Cypriots the Plan was not implemented In this balanced account of a highly charged period Chrysostomos Pericleous offers an exhaustive treatment of the events that culminated in the referendum and through his comparative study explains the positions ultimately taken by Greek and Turkish Cypriots The Cyprus Referendum presents the definitive account of the course of action taken by President Tassos Papadopoulos and his ruling coalition which ultimately led to the resounding No vote on the Annan Plan by the Greek Cypriots at the referendum Pericleous places the events on the island within a wider global context focusing especially on the re-orientation of US foreign policy in the Greece Turkey Cyprus triangle Drawing together all the evidence the author explores the consequences for the island and whether the rejection of the referendum will lead to a period of decline for Cyprus unless a dramatic change occurs in Greek Cypriot politics An important contribution to the study of Cypriot politics The Cyprus Referendum provides readers with a deeper insight into the broader political framework within which the UN peace initiative in Cyprus has developed It is a meticulous study of a critical moment in Cypriot history and the depth of its research makes the book invaluable for anyone interested in the island past present and future **The Cyprus Review**, 2003 **Regional Schools in Hellenistic Sculpture** Olga Palagia, 2017-02-28 Essays describing recent research and new discoveries of Hellenistic sculpture based on papers presented at an international conference at the American School of Classical Studies at Athens in 1996 **THE LONG AND THE SHORT OF IT** Robert Borski, 2006-02-17 Over the years sf and fantasy writer Gene Wolfe has proven himself to be adept at all lengths of fiction Now in THE LONG AND THE SHORT OF IT once again literary detective Robert Borski brings his critical eye and acumen to the wide array of Wolfe's work from short stories to novellas to mega book series Along the way he'll reveal to you the hidden alchemical structure of PEACE why he thinks Latro and several others may be werewolves what has happened to the missing twenty four hours in Seven American Nights what Biblical story is retold in the pulpish Tracking Song who might or might not be an abo in THE FIFTH HEAD OF CERBERUS and how to navigate your way through dozens of other lupine mazes all before concluding with an extended examination of Wolfe's dazzling if often opaque BOOK OF THE SHORT SUN *The Complete Elegies of Sextus Propertius* Propertius, 2016-07-07 The Roman poet Propertius is best known as the writer who perfected the Latin love elegy as technical as much as a psychological and cultural feat Propertius has been admired for both his metrical genius and the modernity of his narrative flow Many of the poems here pay tribute to Cynthia Propertius's romantic obsession but the scope

of these 107 elegies is broad Propertius's poetry offers a fascinating look into life in the Augustan age addressing social political and historical subjects A contemporary of Virgil and Horace Propertius has influenced scores of poets from Ovid to Housman to Pound His poetry appears here for the first time in a dual language edition with the translations facing the original Latin Rendered into English by a poet who is also one of the nation's pre eminent Propertius experts the volume brings Propertius's difficult mix of vernacular and high literary allusion into contemporary language Cynthia was the first She caught me with her eyes a fool who had never before been touched by desires Love cast down my look of constant pride and he pressed on my head with his feet until he taught me to despise chaste girls perversely and to live without plan Already it's been a whole year that the frenzy hasn't stopped when for all that the gods are against me      **A New System** Jacob Bryant, 1807      Works of the Camden Society , 1841
