The Celtic Breeze Heather McNeil, 2001-10-15 Delve into a world of kelpies mermaids selkies ghosts warlords and fairies This collection gives you Celtic tales previously unrecorded or only found in obscure compilations Mostly collected by the author on her ancestral home of the Isle of Barra in the Hebrides these lesser known tales from Scotland Ireland and Wales are supported by a brief history of the Celts a glossary of the Gaelic integrated in the stories an appendix of superstitions about fairy protection and bibliographies that reflect the author s extensive research Seventeen ballads collected almost one hundred years ago and excerpts from the author s journal of travels in Scotland make this book a unique and valuable resource for anyone who tells stories **Sea Longing**, 1998 Lyra Celtica Elizabeth Amelia Sharp, J. Matthey, 1924

Lyra Celtica J. Matthey, **The Philosophy of Tolkien** Peter Kreeft, 2009-09-03 While nothing can equal or replace the adventure in reading Tolkien s masterwork *The Lord of the Rings* Peter Kreeft says that the journey into its underlying philosophy can be another exhilarating adventure Thus Kreeft takes the reader on a voyage of discovery into the philosophical bones of Middle earth He organizes the philosophical themes in *The Lord of the Rings* into 50 categories accompanied by over 1 000 references to the text of *Lord* Since many of the great questions of philosophy are included in the 50 theme outline this book can also be read as an engaging introduction to philosophy For each of the philosophical topics in *Lord* Kreeft presents tools by which they can be understood Illustrated The Road to the Isles Kenneth MacLeod, 1927

Fantasies of Time and Death Anna Vaninskaya, 2019-12-26 This book reveals the unique contribution made by the three founding fathers of British fantasy Lord Dunsany E R Eddison and J R R Tolkien to our culture s perennial reassessment of the meanings of time death and eternity It traces the poetic philosophical and theological roots of the striking preoccupation with mortality and temporality that defines the imagined worlds of early fantasy fiction and gives both the form of such fiction and its ideas the attention they deserve Dunsany Eddison and Tolkien raise some of the oldest questions in existence about the limits of nature human and divine cosmic creation and destruction the immortality conferred by art and memory and the paradoxes and uncertainties generated by the universal experience of transience the fear of annihilation and the desire for transcendence But they respond to those questions by means of thought experiments that have no precedent in modern literary history This book has won the 2021 Mythopoeic Scholarship Award for Myth and Fantasy Studies Daring Pioneers Tame the Frontier Bettye Burkhalter, 2010 History Romance Destiny *Daring Pioneers Tame the Frontier* is an exquisite saga of Dr Jean John Baptiste Elz ar Burel s lifelong desire to cross the Atlantic Ocean to the beckoning new America With his naval surgeon license in one hand and his medical chest in the other he followed Marquis de Lafayette to Colonial America during the Revolutionary War During the war he fell passionately in love and married a beautiful Acadian French woman in Philadelphia After the war they made plans to return to his home at Ollioules France Homeward bound the bourgeois doctor boarded the ship in Philadelphia with his new bride and their few belongings There

on deck he was unexpectedly forced to choose between his beloved homeland and family in France and his wife with child Disembarking the ship with grave disappointment John knowingly forfeited his inheritance as sole heir Struggling to survive in Philadelphia oftentimes John sat quietly admiring the beautiful woman who owned his heart as he secretly yearned for his prominent family and lifestyle on the Mediterranean Coast of France Standing on the threshold of the newly independent America the young doctor decided to take his wife and infant son and pioneer down the Great Wagon Road into the raw frontier of South Carolina Believing he would build a new and prosperous life he settled at Goshen Hill between the Tyger and Enoree Rivers within the lawless backcountry of South Carolina Fighting the dangers and hardships of the frontier and the recurring restlessness to return to France John and his family carved out a simple life Although disappointed at times within the walls of his log home the enduring love and warmth of his wife and six children transcended adversity and hardships of the outside world The heartwarming story is filled with humanity as John faced his inevitable destiny The first novel in the trilogy closes with Dr Burel s widow standing helplessly in her front yard watching the wagon train take her spirited children and grandchildren west in search of richer land and prosperity It was d j vu **Rivers to the Sea** Sara Teasdale,1915 **Heinz-Uwe Haus and Theatre Making in Cyprus and Greece** Heinz-Uwe Haus,Daniel Meyer-Dinkgräfe,2021-08-25

cultural commentary but was rather a profound thinker whose insights into nineteenth century spirituality are expressed throughout his Apollonian poetry *Organization and Law of the Department of Commerce and Labor* United States. Swinburne and the Singing Word Yisrael Levin, 2016-03-16 Focusing on Algernon Charles Swinburne s later writings this collection makes a case for the seriousness and significance of the writer s mature work While Swinburne s scandalous early poetry has received considerable critical attention the thoughtful rich spiritually and politically informed poetry that began to emerge in his thirties has been generally neglected This volume addresses the need for a fuller understanding of Swinburne s career that includes his fiction aesthetic ideology and analyses of Shakespeare and the great French writers Among the key features of the collection is the contextualizing of Swinburne s work in new contexts such as Victorian mythography continental aestheticism positivism and empiricism Individual essays examine among other topics the dialect poems and Swinburne s position as a regional poet Swinburne as a transition figure from nineteenth century aesthetic writing to the professionalized criticism that dominates the twentieth century Swinburne s participation in the French literary scene Swinburne s friendships with women writers and the selections made for anthologies from the nineteenth century to the present Taken together the essays offer scholars a richer portrait of Swinburne s importance as a poet critic and fiction writer Comparative Criticism: Volume 10, Comedy, Irony, Parody E.
