Nature Praising God Dermot A. Lane, 2023-03-15 During the lockdown caused by the Covid 19 crisis streets were emptied churches closed and a relationship with nature developed in which questions to be asked again in light of the crisis arose Is God present in nature Is communion with God in nature possible Is there a relationship between the God of creation the God of history and the God we worship in Sunday liturgies In Nature Praising God Dermot Lane explores these questions by returning to the Bible The Christian tradition shows that nature is understood as a living community is graced by God and has a sacramental character He suggests that readers change their perception of how nature is traditionally regarded as a resource for human needs and embrace a new way of praising God through an appreciation of and care for the myriad life forms on earth The result of these explorations is the outline of a new theology of nature praising God with lessons for the way we worship God in our churches today
