

SEA DOGS & TRAMPS

BY CLEMENS
KIRCHNER

Sea Dogs Tramps

Walter Bertram Foster

Sea Dogs Tramps:

Sea Dogs & Tramps Clemens Kirchner, 1968 *Sea Dogs* Morley Roberts, 1910 *An Ocean Tramp* William McFee, 1921 A Tramp's Notebook Morley Roberts, 2022-11-22 In *A Tramp's Notebook* Morley Roberts artfully weaves together a tapestry of reflections on his experiences as a wanderer through early 20th century Britain. The narrative, characterized by its candid prose and vivid imagery, captures both the minutiae of daily life and the profound philosophies that arise from a life lived on the margins of society. Roberts's keen observations on the transient nature of existence are punctuated by his encounters with a diverse array of characters reflecting the broader social issues of an era marked by rapid change and uncertainty. Roberts, a novelist and biographer with a penchant for the avant garde, found inspiration in his own extensive travels and encounters with the underbelly of society. An advocate for working class rights, his immersion in the lives of the less fortunate informed his literary pursuits, leading to a distinctive voice that combined realism with introspection. Having navigated personal and financial struggles, Roberts's writing often reflects themes of resilience and the human spirit's desire for connection amidst adversity. This book is a compelling exploration of life on the fringes and an essential read for anyone interested in social commentary through literature. Roberts's blend of narrative acuity and philosophical musings invites readers to empathize with the disaffected, making *A Tramp's Notebook* a thought-provoking addition to any literary collection.

Chicorel Index to Short Stories in Anthologies and Collections Marietta Chicorel, 1974 A Sea Dog's Tale Peter Muilenburg, 2012-06-30 Young newlyweds Peter and Dorothy Muilenburg found their way from New Hampshire to the Virgin Islands. He had been a civil rights Freedom Fighter jailed in Mississippi while protesting racial injustice. In St. John, she founded the Pine Peace School. They both taught. On an East End beach, he built a sailboat strong enough to take them anywhere, and they put to sea with their two young sons. But their crew was not yet complete. Santos, a schipperke, came to them as a tiny puppy and sailed with them all his life. 75,000 deep sea miles, four times across the Atlantic, crisscrossing the Caribbean, coasting the U.S. eastern seaboard, exploring the Med, ranging up African rivers. A lightning rod for trouble, he survived a kidnapping, hurricanes, raging surf, being lost overboard at sea, and was twice given up for dead. And he watched over his family with fierce and abiding devotion. If you want to see the world, really see it, go by sailboat. And if you want to absorb the world through every pore, take a venturesome dog as your guide. The bright spirit named Santos became a legend to millions of readers through the pages of *SAIL* and *Reader's Digest* magazines. Now Peter Muilenburg, a wise and observant chronicler with a true wanderer's desire to engage the world on authentic terms, has written this captivating story of familial love and adventure, unforgettable people and places, and an amazing schipperke who has sailed right into the sea dog hall of fame.
