the Long Norris and Price families have propelled the park through changing times and perilous fires In 1994 fire destroyed the heart of the park its carousel Recognizing the damage as an opportunity to revive the cherished ride the family relied on more than a century of experience to inspire and hand craft a new antique carousel In an age of corporate theme parks Seabreeze Park endures as one of the country s favorite family owned and operated parks **Seabreeze Library** Jan Moran,2025-04-10 A mysterious guest A charming bookmobile A beach house renovation that reveals a long held secret As Ivy Bay and her sister Shelly breathe new life into the Seabreeze Inn an unexpected visitor rolls into town driving a charming book filled bus But who is this intriguing newcomer and what stories does she bring While Ivy lobbies against her husband for a new town library the renovation reveals a secret that will change everything they imagined Escape to Summer Beach where friendships bloom love lingers in the sunshine and a touch of mystery keeps everyone guessing Dive into the next heartwarming chapter of this beloved series Find out why readers say Life is better in Summer Beach From a USA Today bestselling author Read in ebook paperback hardcover audiobook and large print Genres Clean women s fiction family life sisters siblings PRAISE FOR SEABREEZE LIBRARY AND JAN MORAN Will make you feel like the sea breeze is streaming through your hair Laura Bradbury Bestselling Author Wonderful characters and a sweet story Kellie Coates Gilbert Bestselling Author A compelling voice to follow Booklist *The Automobile Blue Book* ,1919 *Winthrop* ,2002 It has been referred to as the Little Republic and the Jewel of the North Shore but to local residents both current and past the small peninsular town of Winthrop will always be home Winthrop s insularity and geographic position as a natural barrier between Boston and the Atlantic has created a unique place to live and the best kept secret around a place to enjoy the spectacle of the sea the folksiness of a small town and with its proximity to Boston a pinch of urban sensibility Winthrop explores the fascinating and diverse history of the town first as an early Native American habitat and then as the site of Colonial agrarians wealthy landowners and a copper works It takes you to the waterfront which became a magnet for tourists the yacht clubs and hotels that opened and the beach activities that became a passion for sweltering city dwellers Winthrop shows how from the American Revolution through the Cold War the town played host to the military having forts cannons radar and tunnels and how the town nearly had the distinction of having the world s first electric transit system a monorail which met a mysterious demise days before the start of construction **The Tourists Companion and Guide to Coney Island, Fort Hamilton, Bath Beach, Sheepshead Bay, Rockaway Beach and Far Rockaway** J. the pursuit of happiness as an inalienable right for all races and classes of people Inspired by summers spent on Coney Island where Stanton became curious about the existence of African American amusement parks in America Stanton s research uncovered more than fifty such venues most of which operated during the late nineteenth and early twentieth centuries These were parks theaters juke joints country clubs summer colonies baseball diamonds and arenas Although these venues provided much needed recreational services to an underserved Black population many were threatened by whites and some destroyed by them Through her study of these sites of recreation Stanton illuminates the history of African Americans who strove to create and maintain safe and satisfying entertainment despite segregation In her research Stanton also found class divisions among Black American entertainment venues At the pinnacle of Black society in this era were the upper class who could afford exclusive Black summer cottages and country clubs General entertainment for Black working class families consisted of dancing and drinking in juke joints or patronizing small amusement parks playgrounds movie theaters church sponsored functions and Black county fairs African Americans in the twentieth century especially in the South transformed segregation into what historian Earl Lewis calls congregation Congregation implies choice and this congregation provided space and support for establishing new amusements entertainments music and dance without interference or oppression

Historic Cape May, New Jersey Emil R. Salvini,2012-11-27 Cape May began as Cape May Island where families journeyed to enjoy wide white beaches and gentle surf during the early nineteenth century With the advent of steamships and railroads the quiet village soon became America s first seaside resort town Despite its charm and elegance visitors slowed in the 1880s as a series of mysterious fires claimed some of its most beloved structures As the twentieth century dawned Cape May s failure to modernize ultimately became its salvation By the 1960s visitors were once again flocking to this seaside destination to enjoy its quaint Victorian charm Experience the elegant Chalfonte Hotel stately Congress Hall and the classic Cape May Boardwalk with local historian Emil Salvini **Directory of Liquor Tax Certificate Holders** ,1908 **Official Gazette**
