Seahorse Soldiering Macarthur's Amphibian Engineers From New Guinea To Nagoya:

Seahorse Soldiering Robert Meredith Watson, 2004-03-01 *War at the End of the World* James P. Duffy, 2023-12-05 A harrowing account of an epic yet nearly forgotten battle of World War II General Douglas MacArthur's four year assault on the Pacific War's most hostile battleground the mountainous jungle cloaked island of New Guinea A meaty engrossing narrative history This will likely stand as the definitive account of the New Guinea campaign The Christian Science Monitor One American soldier called it a green hell on earth Monsoon soaked wilderness debilitating heat impassable mountains torrential rivers and disease infested swamps New Guinea was a battleground far more deadly than the most fanatical of enemy troops Japanese forces numbering some 600 000 men began landing in January 1942 determined to seize the island as a cornerstone of the Empire's strategy to knock Australia out of the war Allied Commander in Chief General Douglas MacArthur committed 340 000 Americans as well as tens of thousands of Australian Dutch and New Guinea troops to retake New Guinea at all costs What followed was a four year campaign that involved some of the most horrific warfare in history At first emboldened by easy victories throughout the Pacific the Japanese soon encountered in New Guinea a roadblock akin to the Germans disastrous attempt to take Moscow a catastrophic setback to their war machine For the Americans victory in New Guinea was the first essential step in the long march towards the Japanese home islands and the ultimate destruction of Hirohito's empire Winning the war in New Guinea was of critical importance to MacArthur His avowed I shall return to the Philippines could only be accomplished after taking the island In this gripping narrative historian James P Duffy chronicles the most ruthless combat of the Pacific War a fight complicated by rampant tropical disease violent rainstorms and unforgiving terrain that punished both Axis and Allied forces alike Drawing on primary sources *War at the End of the World* fills in a crucial gap in the history of World War II while offering readers a narrative of the first rank **War at the End of the World** James P. Duffy, 2016-01-05 Japan was determined to seize New Guinea as a cornerstone of the Empire's strategy Allied Commander in Chief General Douglas MacArthur committed 340 000 Americans as well as tens of thousands of Australian Dutch and New Guinea troops to defend New Guinea at all costs Historian James P Duffy chronicles the four year campaign involving some of the most horrific warfare in history complicated by tropical disease violent rainstorms and unforgiving terrain that punished both sides filling a crucial gap in the history of World War II MacArthur's Jungle War Stephen R. Taaffe, 1998 His book tells not only how victory was gained through a combination of technology tactics and army navy cooperation but also how the New Guinea campaign exemplified the strategic differences that plagued the Pacific War since many high ranking officers considered it a diversionary tactic rather than a key offensive *MacArthur's Victory* Harry Gailey, 2004-12-28 A GREAT WARRIOR AT THE PEAK OF HIS POWERS In March 1942 General Douglas MacArthur faced an enemy who in the space of a few months captured Malaya Burma the Philippines the Dutch East Indies and from their base at Rabaul in New Britain threaten Australia Upon his retreat to Australia MacArthur hoped to find enough men

and material for a quick offensive against the Japanese. Instead, he had available to him only a small and shattered air force, inadequate naval support, and an army made up almost entirely of untried reservists. Here is one of history's most controversial commanders battling his own superiors for enough supplies, since President Roosevelt favored the European Theater, butting heads with the Navy, which opposed his initiatives, and on his way to making good his promise of liberating the Philippines. In the battles for Buna, Lae, and Port Moresby, the capture of Finschhafen, and other major actions, he would prove his critics wrong and burnish an image of greatness that would last through the Korean War. This was the other Pacific War, the one MacArthur fought in New Guinea, and against all odds and most predictions, he decisively won.
