*Seamanship in the Age of Sail* John H. Harland, 1984 Numerous successful reprints of contemporary works on rigging and seamanship indicate the breadth of interest in the lost art of handling square rigged ships Modelmakers marine painters and enthusiasts need to know not only how the ships were rigged but how much sail was set in each condition of wind and sea how the various manoeuvres were carried out and the intricacies of operations like reefing sails or catting an anchor Contemporary treatises such as Brady s *Kedge Anchor* in the USA or Darcy Lever s *Sheet Anchor* in Britain tell only half the story for they were training manuals intended to be used at sea in conjunction with practical experiences and often only cover officially condoned practices This book on the other hand is a modern objective appraisal of the evidence concerned with the actualities as much as the theory The author s facility in a remarkable range of languages has allowed him to study virtually every manual published over a period of nearly four centuries This gives the book a completely international balance and allows the author to describe for the first time the proper historical development of seamanship among the major navies of the world **To Swear like a Sailor** Paul A. Gilje, 2016-02-15 This book explores American maritime world including cursing language logbooks storytelling sailor songs reading and material culture **Whitaker's Books in Print** , 1998

**Sailing man of war** Peter Goodwin, 1987 *Blow the Man Down!* James H. Williams, 2018-12-05 A weathered manuscript discovered among old papers was the foundation of this powerful book James H Williams spellbinding recollections of his adventures before the mast in sailing ship days bring alive again that gruelling but romantic era on the seas Though he called himself a common sailor James H Williams 1864 1927 was a most uncommon man An African American seaman with reddish hair he left his Massachusetts home to go to sea at the age of eleven Yet in spite of his limited formal education he wrote in later life with a verve and color that many professional writers would envy Although he had once killed a man in escaping from a hell ship at Hong Kong Williams possessed a high sense of moral virtue A practical man who survived countless storms and two major shipwrecks he instinctively sought out the ships of masts and spars in an age in which the merchant marine was making its transition from sail to steam Within him too burned a reforming fervor so intense that he became an uncompromising and highly effective enemy of all who preyed upon the common seaman Vivid salty and enlivened by an unfailing sense of humor James H Williams reminiscences form a remarkable chronicle of life and adventure under sail and along the waterfronts of deep water ports from America to China Here are the thrill of the whale hunt and the terror of a boat s crew as an infuriated whale capsizes them Here are episodes of hardship and the brutality of bucko captains and mates that belied the beauty of taut queenly ships Here too are magnificent accounts of sailing ships and the stalwart men who manned them of heroic deeds of exotic anchorages and boisterous sprees ashore of the immensity of the sea and its awe inspiring gales and typhoons of shipwreck in the English Channel on a bitter winter night of drifting on a spar in the lonely South Atlantic and surviving for three months on an uninhabited island *Sailor Life on Man of War and Merchant Vessel* (1884) Charles Nordhoff, 2009-08 This scarce antiquarian book is a facsimile reprint of the original Due to its age it may contain imperfections such as marks notations marginalia and flawed pages Because we believe this work is culturally important we have made it available as part of our commitment for protecting preserving and promoting the world s literature in affordable high quality modern editions that are true to the original work

**An Old Man-of-war's-man's Yarn** Richard Heathcote Gooch, 1870 *Sailor Life on Man of War and Merchant Vessel* Charles Nordhoff, 1884 **Thirty Years at Sea** Edward Shippen, 1879 *Seafaring Under Sail* Basil Greenhill, Denis Stonham, 1981 *Square Rigger Days* Charles W Domvillefife, 2007-10-18 There are few books that describe accurately life on board sailing ships in the last days of sail from the 1860s to the First World War the romantic image conjured up by many who wrote from a safe distance belies the harsh realities which were a sailorman s lot Domville Fife in collecting together the personal stories of seamen while they

were still alive was able to present a truer picture of the tough last days of sail Long voyages on board nineteenth century sailing ships were marked by isolation boredom and miserable living conditions that taxed the endurance of men already hard pressed by the gruelling and dangerous nature of shipboard work While some were attracted to a life of adventure most simply went to sea for a living and a meagre one at that They experienced neither the excitement of life on the crack clippers of the earlier decades nor the safety of the steamships they were caught in the limbo of a dying profession where poor pay discontinuous employment prolonged isolation from family and physical hardship were the norm No wonder that murder mutiny starvation and shipwreck appear in the memoirs gathered here Domville Fife surely did future generations a great service by piecing together this reality First published in 1938 these memoirs are now available again in this superbly presented new edition with a new selection of stunning photographs and a fascinating introduction on life at sea in the dying world of sail A wonderful read for all enthusiasts and historians of the merchant service in the days of sail A Steady Trade Tristan Jones, 2014-04-01 A memoir of growing up in pre World War II Wales and developing a love of sailing and adventure by the author of The Incredible Voyage Tristan Jones vividly and colorfully describes his childhood as a Welsh boy growing up by the sea The story of his boyhood in pre World War II England is strikingly charming and nostalgic The challenges and adventures he encounters will have you seeing smelling feeling hearing and tasting the sea as you travel with him through this coming of age story
