## **Sean Scully Gemalde Pastell Aquarelle Fotografie Painting Pastels Photography:**

**The Color of Time** Sean Scully, Arthur Coleman Danto, Mia Fineman, Edward Lucie-Smith, 2004-01-01 Painter photographer watercolorist and printmaker Sean Scully roams the world with his camera capturing its surfaces in places as far flung as Mexico and the Aran Islands as close to home as his own studio His photographs sometimes consist of close up shots of his own paintings wherein he zooms in on the material reality of his richly painted surfaces and transforms their colors and shapes into a different abstract configuration More often Scully goes from recognizable objects in the larger world to subjective impressions of them Snapshots of facades windows and doors are never straightforward recordings of architectural elements By depicting fading walls cracked surfaces rough edges and the deep shadows created by them these images capture beauty in decay and evoke the basic contradiction of nature and life solidity and fragility timelessness and change As metaphors of physical and mental conditions the photographs capture the memories feelings and thoughts connected to the experience of that reality It is precisely this continuing interchange of the recognizable and abstract worlds the visible and the invisible that empowers Scully's works in all media     The Big Book of Painting Nature in Pastel S. Allyn Schaeffer, 1993 Introduces the tools materials and techniques of pastel drawing and presents a series of demonstrations with photographs of the original scene for comparison     **Whistler Pastels** James McNeill Whistler, 1991 This book brings together for the first time almost seventy of Whistler's most beautiful unusual and important pastels drawn from collections world wide Many of them have never been reproduced before and are too fragile for exhibition     **The Art of Pastel** National Gallery of Ireland, 1996
