Sean O'Casey:

The Sean O'Casey Reader Sean O'Casey, 1968 **Sean O'Casey** Brooks Atkinson, Robert G. Lowery, 2019-08-08 Sean O'Casey 1880 1964 was a celebrated but reclusive Irish playwright writer and individual. If you crossed him you went on his enemies list and suffered his wrath in writings and mutterings whether public or private. In 1958 he banned all productions of his plays in Ireland when the Archbishop of Dublin refused to offer a votive mass at a festival in which works of his and James Joyce were being aired. However he was also enigmatic, a professed Communist and hater of organized religion and dogma but who seemed centered in a faith in God and most people but especially in life. It was life and family he celebrated in his plays, books and personal life and though some of his works are tragic in nature they do not celebrate tragedy but simply point to the gusto in life. Brooks Atkinson's Sean O'Casey From Times Past pulls from Atkinson's numerous reviews of O'Casey with whom he shared a friendship and mutual admiration. With the assist of O'Casey scholar Robert G. Lowery Atkinson filters these celebrations of life which O'Casey draws with an artist's verve and brush highlighting in O'Casey's plays, essays and autobiographical works the stings and joys that are part of every one of us.

Sean O'Casey was the quintessential Dublin playwright. In critical works that include his Dublin Trilogy *The Shadow of a Gunman*, *Juno and the Paycock* and *The Plough and the Stars* he portrayed the traumatic birth of a nation and delved into the Irish national character. Christopher Murray's *Sean O'Casey Writer at Work* takes a fresh look at the last of the great writers of the Irish literary revival.

Sean O'Casey Bernice Schrank, 1996-08-20 Sean O'Casey is recognized as one of the most important Irish playwrights of the 20th century. When he was in his early 20s he committed himself to the nationalist struggle to free Ireland from English domination. During the Dublin General Strike and Lock Out of 1913 he came to appreciate the importance of social class and he rejected Irish nationalism in favor of international socialism. Though *The Shadow of a Gunman* and *Juno and the Paycock* helped save the Abbey Theatre from near bankruptcy *The Plough and the Stars* drew open criticism in 1926 when nationalists rioted over O'Casey's treatment of the Easter Rebellion. This reference work is a comprehensive guide to O'Casey's plays. The volume begins with an introductory essay that discusses the political themes of his plays, the controversy surrounding his works in Ireland, the response to his plays in England and other countries and the growth of academic interest in O'Casey in the 1960s. Plot summaries and critical overviews are provided for all of his dramatic works and production credits are given for major performances of his plays. The volume includes extensive annotated bibliographical information for secondary sources including reviews.

Companion to the work of one of Ireland's most famous and controversial playwrights Sean O'Casey is the first major study of the playwright's work to consider his oeuvre and the archival material that has appeared during the last decade. Published ahead of the centenary of the 1916 Easter Rising in Ireland with which O'Casey's most famous plays are associated, it provides a clear and detailed study of the work in context and performance. James Moran shows that O'Casey not only remains the most performed playwright at Ireland's national theatre but that the playwright was also one of the most controversial and divisive literary figures whose work caused riots and who alienated many of his supporters. Since the start of the Troubles in the North of Ireland, his work has been associated with Irish historical revisionism and has become the subject of debate about Irish nationalism and revolutionary history. Moran's admirably clear study considers the writer's plays, autobiographical writings and essays, paying special attention to the Dublin trilogy *The Shadow of a Gunman*, *Juno and the Paycock*, and *The Plough and the Stars*. It considers the work produced in exile during the war and the late plays *The Companion*. Also featured are a number of interviews and essays by other leading scholars and practitioners, including Garry Hynes, Victor Merriman, and Paul Murphy, which provide further critical perspectives on the work.
