Anatomy of a Seance Stan McMullin,2004-03-19 MacKenzie King did it so did Susanna Moody In fact many Canadians consulted the spirits as part of a religious experience to seek guidance for themselves and others and to attempt to learn what lies beyond the grave Some came to the seance room to hear ancient wisdom while others came to understand the nature of psychic phenomena Like the mechanisms that produced the flashing lights cool breezes and whirling trumpets that materialized in the presence of the medium their beliefs and experiences have been mostly hidden until now In this first full length study of Canadian spirit communication Stan McMullin has drawn upon seance notes letters diaries and special collections to create a fascinating picture of how educated people were drawn to spiritualism and psychic research Anatomy of a Seance shows that for many Canadians attempting to sort out their religious beliefs and find an acceptable marriage between religion and science the seance room provided an alternative to formal religious dogma Despite the opposition of mainline churches spiritualism offered the possibility of a scientific religion that could prove the existence of heaven

The Utne Reader ,1994 **Final Seance** Massimo Polidoro,2010-06-03 Polidoro has written and written well a saga of two Titans that is also a remarkable exploration of both superstition and obsession at the lush twilight of the Edwardian era Baltimore SunThis is the story of an unusual friendship between two of the most intriguing characters of the early 20th century renowned escape artist Harry Houdini and celebrated mystery writer Sir Arthur Conan Doyle creator of Sherlock Holmes Both men were fascinated by the occult practice of spiritualism Houdini as an ardent skeptic who often publicly exposed fraudulent mediums and Conan Doyle as a true believer who became convinced that the dead could and did communicate with the living Despite their differing perspectives the two men not only respected each other but became friends The correspondence between them on the

subject provides a fascinating glimpse not only into the personalities of two talented and interesting celebrities but also into a psychic phenomenon that is the ancestor of today's channeling craze. Based on original correspondence, photographs and his own extensive research, Massimo Polidoro reconstructs this unusual friendship between a believer and a skeptic, which weathered mediums, seances, an apparition of Houdini's departed mother, automatic writing by Conan Doyle's wife, public debunkings and hurt feelings. He also discusses the final rift that ended the friendship of the two strong-willed men. Fans of Conan Doyle, Houdini, magic and the historical roots of the New Age will be delighted by this amazing story. Massimo Polidoro is executive director of the Italian Committee for the Investigation of Claims of the Paranormal, editor of *Scienza Paranormale*, *Science and the Paranormal*, and author of twelve books on the paranormal. **The Two Worlds**, 1929 **Murder at an**

English Séance Jessica Ellicott, 2024-06-25. American adventuress Beryl Halliwell and prim and proper Brit Edwina Davenport team up once again as enquiry agents to investigate a suspicious psychic in this historical English village mystery set just after World War I. Hidden beneath her British reserve, Edwina has a secret: she's finished her novel and is bravely mailing the manuscript to a publisher. Beryl also has a secret: as thanks for solving a case, the American adventuress has been gifted an airplane. After swooping over the fields and hedgerows of Walmsley Parva, livestock scattering beneath her, she flamboyantly lands the plane on the village green, prompting a startled Edwina to consider a stiff gin fizz. Beryl's aircraft is not the only disruption of village peace. Miss Dinsdale, a psychic medium, has started holding sances. After the church organist resigns to serve as musical accompaniment for the sances, the vicar's wife hires the enquiry agents to expose the medium as a charlatan. Beryl is confident she can spot the fraud, having learned from Harry Houdini himself some tricks of the trade. The dubious Miss Dinsdale claims her spirit guide is an Egyptian princess whose mummy resides in a sarcophagus in the room. But the only body in the sarcophagus belongs to a murdered villager impaled with a dagger. As the sleuths begin to investigate, Beryl discovers her plane has been sabotaged and wonders if there's a connection. Whether in the air or on terra firma, Beryl and Edwina must go round a circle of suspects to divine the culprit. **Witchcraft** Marion Gibson, 2023-06-22

Salem King James VI *Malleus Maleficarum*. The world of witch hunts and witch trials sounds antiquated, relics of an unenlightened and brutal age. However, witch hunt is heard often in the present-day media, and the misogyny it is rooted in is all too familiar today. A woman was prosecuted under the 1735 Witchcraft Act as recently as 1944. This book uses thirteen significant trials to explore the history of witchcraft and witch hunts. As well as investigating some of the most famous trials from the middle ages to the 18th century, it takes us in new and surprising directions. It shows us how witchcraft was decriminalised in the 18th century, only to be reimagined by the 1780s Romantic radicals. We will learn how it evolved from being seen as a threat to Christianity to being perceived as gendered persecution, and how trials against chieftains in Africa stoked anger against colonial rule. Significantly, the book tells the stories of the victims, women such as Helena Scheuberin and Joan Wright, whose stories have too often been overshadowed by those of the powerful men such as King James VI and I, and

Witchfinder General Matthew Hopkins who hounded them While this will be a history of witchcraft the subject cannot be consigned to the history books Hundreds of people mostly women are tried and killed as witches every year in Africa WITCH HUNT is as common in our language today as ever it was and witches are still on trial across the world *Annual Meeting* Illinois Education Association,1918 **Journal of Proceedings of the ...
