Search and Rescue Dogs American Rescue Dog Association, 1991. In *Search and Rescue Dogs Training Methods*, the ARDA teaches everyone what it takes to make a true canine hero. With emphasis on handler and unit training, the principles of obedience as well as handler readiness and equipment are explored. Of particular value is the detailed information on conditioning and first aid for search dogs. The chapters on organizing and carrying out a search will be of great interest to anyone who may wonder how a dog's mind works and to what extent it can be trained. *Search and Rescue Dogs* in the authoritative voice of ARDA explores the ultimate experience of the interdependence of Man and Dog.

Meet the Search and Rescue Dogs Christy Judah, 2009-08-16. Children love animals and they will delight in learning about search and rescue dogs, the heroes who find lost or missing persons. This enchanting book introduces the reader to a number of real search dogs. It explains how they train to find lost persons, beginning with Search Dog School. This charming book describes the life of a search and rescue dog and is illustrated with full color photographs of actual SAR dogs. Many different breeds of dogs are showcased in photos of actual training and search missions. *Meet the Search and Rescue Dogs* makes learning fun while it provides a remarkable and fascinating visit with authentic search and rescue dogs. This is truly an informative and educational presentation, a must-have book for children of all ages to enjoy.

Training a Search and Rescue Dog Christy Judah, 2014-10-09. *Training a Search and Rescue Dog for Wilderness Air Scent Detection*. Training a Search and Rescue Dog is a simple, easy-to-understand, step-by-step instructional manual to teach dogs to find live people. It provides a planned curriculum to incorporate a re-find in a wilderness air scent training program first and then goes on to allow the handler to add a human remains detection component should they desire to cross-train their dog. The program allows for individual differences in dog training methods and reward systems, allowing the handler and trainer to custom-design the program which best suits their breed, environment, and needs. Also included are related forms such as search training logs, search reports, donation forms, and how to collect an uncontaminated scent article. These lessons are designed for the dog that has already had some general training in basic obedience, agility, and socialization. For dogs without these basic skills, the author has written a book titled *Building a Basic Foundation for Search and Rescue Dog Training*. Training a Search and Rescue Dog is an excellent follow-up and training regime following the Basics book, which lays the appropriate groundwork in order to train a fully functional, certified, and able working dog.
