When Claude Tarba showed off a family heirloom in a crowded Arabian restaurant in Melbourne that simple act of pride among friends didn't go unnoticed. It set in motion a journey through the little known high mountain country of The Yemen then on to the Italianate City of Asmara in the Ancient land of Eritrea and a hijacking which landed him in Western Turkey. Eventually after a number of risky adventures that took him to the far southern reaches of Egypt he found himself committed to a treasure quest which if proved successful would change the future perception of the human race for the next couple of millennia. Clues uncovered in the Tomb of the God King Tutankhamen entrance our unwitting hero and his new friends committing them all through something more than curiosity to a trail of intrigue with villains popping up everywhere intent on stopping them from achieving their main goal the installation of Claude as an honorary new Pharaoh. Despite foiling several attempts on their lives Claude and his companions then have to contend with another scoundrel and his giant of a servant who have their eyes on the treasure whatever it may turn out to be. The story takes us back into the ancient world of 18th Dynasty Egypt where we meet the legendary King Solomon who with his son and heir plan and set the stepping stones that may only be discovered and followed by a future generation worthy enough to restore the glory and spiritual beliefs of the Egypt that once was. Not only is the narrative one full of thrills and unusual situations it is also transports the reader into the colourful life of contemporary and ancient Egypt. The unexpected climax will have everyone thinking. What really did happen thousands of years ago to kick start civilisation as we know it today. **Biblia** Charles Henry Stanley Davis, 1901. *Soul Mates* Richard Webster, 2001. **Jesus after the Crucifixion** Graham Simmans, 2007-02-21 Suggests that Jesus survived the crucifixion went to Egypt then settled in France Reveals new discoveries that show the beginnings of Christianity in Egypt Presents historical and archaeological research that proves a connection between Jerusalem Egypt and Rennes le Chateau in the south of France Posits Rennes le Chateau as the actual location of Jesus Christ's tomb and that writings by him will be found there Jesus did not die on the cross He survived and went to southern France with his wife Mary This possibility is proposed by Graham Simmans who spent many years on a quest to find the real beginnings of Christianity Simmans believes that the spread of Christianity beyond Jerusalem was tied to Jesus's survival of the crucifixion and his subsequent emigration to Europe Using Coptic and Jewish sources including the Talmud that allow a glimpse of the Christian philosophy espoused by Jesus he contends that true Christianity was brought into France Britain and Spain from first century Egypt and Judea not fourth and fifth century Rome His investigation shows that after a time in Egypt Jesus settled in Rennes le Chateau a sophisticated and cosmopolitan center of spiritual diversity It was a natural move for Jesus to settle in the Narbonne area of France an area already heavily settled by Jewish and Gnostic groups Here safely outside the reach of the cultural dictatorship of the Roman Church the Gnostic secrets he taught survived the centuries Later the Knights Templar centered their activity in the Languedoc region around Rennes le Chateau where within the Jewish communities a well connected and influential opposition to Rome already existed This resistance to Rome gave rise to a religious culture that included elements of Gnostic Pythagorean and Kabbalistic teachings Until the Crusades against the Cathar heretics reasserted the dominion of Rome the culture that flourished around Rennes le Chateau embodied the true essence of Christ's message
