God...the Grand Illusion Dr. Ronald Pleune,2022-08-29 The question is this what do we accept as the truth of what we believe in We take many things by mere faith but is faith the right path in putting our trust in a matter just because someone says so Do we dig into a matter with an open mind rather than prejudice and influences from others as we were growing up Does our relationship with others influence our perception of what is truth and what is not the truth Do we tend to accept something as truth because we don't have time or resources to check it out Or is it because of an emphatic speech by a cleric that proclaims the Bible is without error when in fact outside sources point to errors in dates events and even interpretation yet we close our eyes and ears because we ask How can this be Many times the excuse is made that if so many people believe in a particular biblical statement or condition then it can't be wrong Or can it Debate on biblical issues end up boggling the general populous and many just walk away from it with disgust won't deal with it or dogmatically hold a position of biblical

Hassnain,Dahan Levi,2006 The Fifth Gospel presents some compelling new evidence about the life of Jesus which has been derived from a variety of sources in the East which are unknown to most Western scholars By chance one of the authors found in 1965 a reference in Ladakh to the discovery of Buddhist scrolls about Jesus Since then the authors have been examining evidence about the survival of Jesus Christ at the time of the crucifixion and his subsequent travels to the East The authors main purpose in writing this book is to inform the West that we in the East have some source material about the historical Jesus who lived on after the crucifixion This book was not written in one day but is a result of many years continued search for evidence and provides research on some very compelling questions such as Did God descend on this earth as Jesus Did Jesus visit India at age 13 Did Jesus survive his crucifixion Was Jesus saved by his Essene friends then traveled to the East visiting many countries finally settling in Kashmir Jesus has been mentioned in Oriental manuscripts by many names Issa Isa Issana deva Isha Natha Ishai Isa Masih Yusu Yuzu Yuzu Kristo Yuz Asaph and Yusu Masih In some works he is mentioned as Eshvara putram or the Son of God and Kanaya garbum or Born of a Girl In some ancient manuscripts he is called Metteyya which is equivalent to Messiah In some Persian works he is known as Nasrani or Kristani which is equivalent to of Nazareth or Christian It is also interesting that the Christians are known in the East as Nasaran and Kira Jesus is also titled in the East as Ibn i Maryam or the Son of Mary Whether Jesus Christ did or did not die on the cross or passed away naturally at an older age like the Buddha is a vital question in which not only Christians but others are keenly interested For example this book presents startling evidence about the tomb of Jesus or Yuzu Asaph in Kashmir The research will remain incomplete until this tomb is opened for investigation A Search for the Historical Jesus F. M. Hassnain,1994 This intriguing work presents a strong case using documents Habsnain procured from Tibetan Indian Persian Egyptian and European sources which argues that Jesus traveled widely outlived the Crucifixion and spent his last days in Ladakh and Kashmir **The Mystery of the Historical Jesus** Louay Fatoohi,2009 **The Mystery of the Historical Jesus** Louay Fatoohi,2007 Jesus remains one of the most studied characters in history In the two millennia since his birth countless writers have published numerous books and articles on every aspect of his life personality teachings and environment Depending on the backgrounds goals and trainings of their respective authors these works relied on the New Testament other Christian sources Jewish writings or other historical sources or on combinations of these writings The Qur an is rarely mentioned let alone seriously considered by the mainly Christian authors of these studies This explicit or implicit neglect reflects a presumed historical worthlessness of the Qur an

Muslim scholars have also written extensively about Jesus. Contrary to their Western counterparts they have studied in detail what the Qur'an and other Islamic sources say about Jesus. The Christian image of Jesus is often cited to be dismissed usually on the basis of what Islamic sources say but at times also because of its incoherence and inconsistency. Like Western scholars who have ignored the Qur'an, Muslim writers have shown no interest in independent historical sources. This book fills a gap in the literature on the historical Jesus by taking the unique approach of considering together the Qur'an, the Gospels and other religious and historical sources. This genuinely new contribution to the scholarship on the historical Jesus shows that unlike the New Testament accounts, the Qur'anic image of Jesus is both internally consistent and reconcilable with known history. While showing that our understanding of how the New Testament was formed and our growing knowledge of history confirm that the Christian Jesus is unhistorical, this study makes a strong case for the historicity of the Jesus of the Qur'an. Its friendly style makes this comprehensive book suitable for the general reader as well as the specialist. Readers with interest in the historical Jesus, the Messiah in the various scriptures, modern Qur'anic exegesis or comparative religion will find this compelling study highly informative and thought provoking. No specialist knowledge of any scripture or history is required for reading the book.

Jesus Lived in India Holger Kersten, 2001. His Unknown Life Before And After The Crucifixion. Why Has Christianity Chosen To Ignore Its Connections With The Religions Of The East And To Dismiss Repeatedly The Numerous Claims That Jesus Spent A Large Part Of His Life In India. This Compelling Book Presents Irrefutable Evidence That Jesus Did Indeed Live In India Dying There In Old Age. The Result Of Many Years Of Investigative Research, *Jesus Lived In India* Takes The Reader To All The Historical Sites Connected With Jesus In Israel, The Middle East, Afghanistan And India As Well As Revealing Age Old Links Between The Israelites And The East. The Evidence Found By Theologian Holger Kersten Points To The Following Startling Conclusions: In His Youth Jesus Followed The Ancient Silk Road To India. While There He Studied Buddhism, Adopting Its Tenets And Becoming A Spiritual Master, Jesus Survived The Crucifixion. After The Resurrection, Jesus Returned To India To Die In Old Age. Jesus Was Buried In Srinagar, The Capital Of Jammu And Kashmir, Where He Continues To Be Revered As A Saintly Man. The Tomb Of Jesus Still Exists In Kashmir.
