The clouds are thick and white, filling the lower two-thirds of the image. The person is in silhouette, wearing a dark jacket and shorts, sitting on a large rock. The overall mood is contemplative and serene.

Search the Silence: Poems of Self Discovery B. Ryan, 1976 Search the Silence Betsy Ryan, 1974 An Odyssey of Self-Discovery Okuhle Esethu, 2024-09-10 In this collection poetry becomes a profound exploration of what it means to be human a journey through the labyrinth of the mind and soul Each poem delves into the search for authenticity peeling back the layers of existence to reveal the deeper elements that define who we are and what we become This book is both existential and introspective inviting readers to confront the shadows within and to question the identities they hold dear It is a poetic odyssey that navigates the turbulence of loss the yearning for understanding and the eventual discovery of a truer Self As you turn each page you will find yourself immersed in a world where words become mirrors reflecting the continuous process of becoming Here the journey is as significant as the destination and the exploration of the Self is endless In the Midst... Faith Theodosia, 2021-03-17 This collection of poems details the dark and bright side of being and feeling lost and found
