**Seas of Gold, Seas of Cotton** Martha L. Keber, 2002 This detailed biography of a man who flourished in two very different worlds opens a new doorway into the societies of prerevolutionary France and postrevolutionary Georgia Christophe Poulain DuBignon 1739 1825 was the son of an impoverished Breton aristocrat Breaking social convention to engage in trade he began his long career first as a cabin boy in the navy of the French India Company and later as a sea captain and privateer After retiring from the sea DuBignon lived in France as a bourgeois noble with income from land moneylending and manufacturing Uprooted by the French Revolution DuBignon fled to Georgia late in 1790 settling among other refugees from France and the Caribbean A community long overlooked by historians of the American South this circle of planters nobles and bourgeois was bound together by language a shared faith and the migr experience On his Jekyll Island slave plantation DuBignon learned to cultivate cotton However he underwrote his new life through investments on both sides of the Atlantic extending his business ties to Charleston Liverpool and Nantes None of his ventures Martha L Keber notes compelled DuBignon to dwell long on the inconsistencies between his entrepreneurial drive and his noble heritage His worldview always remained aristocratic patriarchal and conservative DuBignon's passage of eighty six years took him from a tradition bound Europe to the enterprises of the Indian Ocean to the plantation culture of a Georgia barrier island Wherever he went commerce was the constant Based on Keber's exhaustive research in European African and American archives *Seas of Gold Seas of Cotton* portrays a resilient nobleman so well schooled in the principles of the marketplace that he prospered in the Old World and the New **Jekyll Island's Early Years** June Hall McCash, 2014-05-05

Personality conflicts and unsanctioned love affairs also had an impact and McCash's narrative is filled with the names of Jekyll's powerful and often colorful families including Horton Martin Leake and du Bignon Jacket *Books on Early American History and Culture, 2001-2005* Raymond D. Irwin, 2013-01-03 This volume offers a complete listing and description of books published on early America between 2001 and 2005 An extraordinary research tool *Books on Early American History and Culture 2001 2005* An Annotated Bibliography is part of a series listing materials on the history of North America and the Caribbean from 1492 to 1815 This volume includes monographs reference works exhibition catalogs and essay collections published between 2001 and 2005 Each entry provides the name of the work its author's or editor's publisher date of publication ISBN and or OCLC number's and the Library of Congress call number Following each detailed citation there is a brief summary of the work and a list of journals in which it has been reviewed Organized thematically the book covers among many other topics exploration and colonization maritime history environment Native Americans race gender and ethnicity migration labor and class business families religion material culture science education politics and military affairs *Lost Plantations of the South* Marc R. Matrana, 2014-07-18 The great majority of the South's plantation homes have been destroyed over time and many have long been forgotten In *Lost Plantations of the South* Marc R Matrana weaves together photographs diaries and letters

architectural renderings and other rare documents to tell the story of sixty of these vanquished estates and the people who once called them home From plantations that were destroyed by natural disaster such as Alabama s Forks of Cypress to those that were intentionally demolished such as Seven Oaks in Louisiana and Mount Brilliant in Kentucky Matrana resurrects these lost mansions Including plantations throughout the South as well as border states Matrana carefully tracks the histories of each from the earliest days of construction to the often contentious struggles to preserve these irreplaceable historic treasures *Lost Plantations of the South* explores the root causes of demise and provides understanding and insight on how lessons learned in these sad losses can help prevent future preservation crises Capturing the voices of masters and mistresses alongside those of slaves and featuring more than one hundred elegant archival illustrations this book explores the powerful and complex histories of these cardinal homes across the South

*Island Time* Jingle Davis,2013-06-01 Capturing the history and beauty of a key destination in the land of the Golden Isles Eighty miles south of Savannah lies St Simons Island one of the most beloved seaside destinations in Georgia and home to some twenty thousand year round residents In *Island Time* Jingle Davis and Benjamin Galland offer a fascinating history and stunning visual celebration of this coastal community Prehistoric people established some of North America s first permanent settlements on St Simons leaving three giant shell rings as evidence of their occupation People from other diverse cultures also left their mark Mocama and Guale Indians Spanish friars pirates and privateers British soldiers and settlers German

religious refugees and aristocratic antebellum planters Enslaved Africans and their descendants forged the unique Gullah Geechee culture that survives today Davis provides a comprehensive history of St Simons connecting its stories to broader historical moments Timbers for Old Ironsides were hewn from St Simons s live oaks during the Revolutionary War Aaron Burr fled to St Simons after killing Alexander Hamilton Susie Baker King Taylor became the first black person to teach openly in a freedmen s school during her stay on the island Rachel Carson spent time on St Simons which she wrote about in *The Edge of the Sea* The island became a popular tourist destination in the 1800s with visitors arriving on ferries until a causeway opened in 1924 Davis describes the challenges faced by the community with modern growth and explains how St Simons has retained the unique charm and strong sense of community that it is known for today Featuring more than two hundred contemporary photographs historical images and maps *Island Time* is an essential book for people interested in the Georgia coast A Friends Fund publication

**Lowcountry Hurricanes** Walter J. Fraser, Jr.,2009-03-01 At once sobering and thrilling this illustrated history recounts how for the past three hundred years hurricanes have altered lives and landscapes along the Georgia South Carolina seaboard A prime target for the fierce storms that develop in the Atlantic the region is especially vulnerable because of its shallow gradually sloping sea floor and low lying coastline With an eye on both natural and built environments Fraser s narrative ranges from the first documented storm in 1686 to recent times in describing how the lowcountry has endured some of the severest effects of wind and water This chronology of the most notable lowcountry storms is also a useful primer on the basics of hurricane dynamics Fraser tells how the 800 ton *Rising Sun* foundered in open water near Charles Town during the hurricane of 1700 About one hundred persons were aboard All perished Drawing on eyewitness accounts he describes the storm surge of an 1804 hurricane that submerged most of Tybee Island and swept over the fort on nearby Cockspur Island drowning soldiers and civilians Readers may have their own memories of Hurricanes Andrew Opal and Hugo Although hurricanes frequently lead to significant loss of life Fraser recounts numerous gripping instances of survival and rescue at sea and ashore The author smoothly weaves the lowcountry s long social political and economic history with firsthand reports and data accumulated by the National Weather Service and the National Oceanic and Atmospheric Administration Generously illustrated with contemporary and historical photographs this is a readable and informative resource on one of nature s most awesome forces

**European Slave Trading in the Indian Ocean, 1500-1850** Richard B. Allen,2015-01-01 Between 1500 and 1850 European traders shipped hundreds of thousands of African Indian Malagasy and Southeast Asian slaves to ports throughout the Indian Ocean world The activities of the British Dutch French and Portuguese traders who operated in the Indian Ocean demonstrate that European slave trading was not confined largely to the Atlantic but must now be viewed as a truly global phenomenon European slave trading and abolitionism in the Indian Ocean also led to the development of an increasingly integrated movement of slave convict and indentured labor during the late eighteenth and early nineteenth centuries the consequences of which resonated well into the

twentieth century Richard B Allen s magisterial work dramatically expands our understanding of the movement of free and forced labor around the world Drawing upon extensive archival research and a thorough command of published scholarship Allen challenges the modern tendency to view the Indian and Atlantic oceans as self contained units of historical analysis and the attendant failure to understand the ways in which the Indian Ocean and Atlantic worlds have interacted with one another In so doing he offers tantalizing new insights into the origins and dynamics of global labor migration in the modern world

*A Southern Underground Railroad* Paul M. Pressly,2024-08-01 Despite its apparent isolation as an older region of the country the Southeast provided a vital connecting link between the Black self emancipation that occurred during the American Revolution and the growth of the Underground Railroad in the final years of the antebellum period From the beginning of the revolutionary war to the eve of the First Seminole War in 1817 hundreds and eventually several thousand Africans and African Americans in Georgia and to a lesser extent South Carolina crossed the borders and boundaries that separated the Lowcountry from the British and Spanish in coastal Florida and from the Seminole and Creek people in the vast interior of the Southeast Even in times of peace there remained a steady flow of individuals moving south and southwest reflecting the aspirations of a captive people A Southern Underground Railroad constitutes a powerful counter narrative in American history a tale of how enslaved men and women found freedom and human dignity not in Jefferson s Empire of Liberty but outside the expanding boundaries of the United States It is a potent reminder of the strength of Black resistance in the post revolutionary South and the ability of this community to influence the balance of power in a contested region Paul M Pressly s research shows that their movement across borders was an integral part of the sustained struggle for dominance in the Southeast not only among the Great Powers but also among the many different racial ethnic and religious groups that inhabited the region and contended for control

**Remaking Wormsloe Plantation** Drew A. Swanson,2012-04-01 Why do we preserve certain landscapes while developing others without restraint Drew A Swanson s in depth look at Wormsloe plantation located on the salt marshes outside of Savannah Georgia explores that question while revealing the broad historical forces that have shaped the lowcountry South Wormsloe is one of the most historic and ecologically significant stretches of the Georgia coast It has remained in the hands of one family from 1736 when Georgia s Trustees granted it to Noble Jones through the 1970s when much of Wormsloe was ceded to Georgia for the creation of a state historic site It has served as a guard post against aggression from Spanish Florida a node in an emerging cotton economy connected to far flung places like Lancashire and India a retreat for pleasure and leisure and a carefully maintained historic site and green space Like many lowcountry places Wormsloe is inextricably tied to regional national and global environments and is the product of transatlantic exchanges Swanson argues that while visitors to Wormsloe value what they perceive to be an authentic undisturbed place this landscape is actually the product of aggressive management over generations He also finds that Wormsloe is an ideal place to get at hidden stories such as African American environmental and agricultural knowledge

conceptions of health and disease the relationship between manual labor and views of nature and the ties between historic preservation and natural resource conservation Remaking Wormsloe Plantation connects this distinct Georgia place to the broader world adding depth and nuance to the understanding of our own conceptions of nature and history

**Globalization and the American South** James Charles Cobb, William Whitney Stueck, 2005 In 1955 the Fortune magazine list of America's largest corporations included just 18 with headquarters in the Southeast By 2002 the number had grown to 123 In fact the South attracted over half of the foreign businesses drawn to the United States in the 1990s The eight original essays collected here consider this stunning dynamism in ways that help us see anew the region's place in that ever accelerating transnational flow of people capital and technology known collectively as globalization Moving between local and global perspectives the essays discuss how once faraway places like Latin America Asia Africa and the Indian Subcontinent are now having an impact on the South One essay for example looks at a range of issues behind the explosive growth of North Carolina's Latino population which grew by almost 400 percent during the 1990s miles ahead of the national growth percentage of 61 In another essay we learn why BMW workers in Germany frustrated with the migration of jobs to South Carolina refer to the American South as our Mexico Showing that global forces are often on both sides of the matchup reshaping the South but also adapting to and exploiting its peculiarities many of the essays make the point that although the new ethnic food section at the local Winn Dixie is one manifestation of globalization so is the wide ranging export of such originally southern phenomena as NASCAR and Kentucky Fried Chicken If a single message emerges from the book it is this Beware of tidy accounts of worldwide integration On one hand globalization can play to southern shortcomings think of the region's repute as a source of cheap labor on the other the influx of new peoples customs and ideas is poised to alter forever the South's historic black white racial divide

**The Atlantic and Africa** Dale W. Tomich, Paul E. Lovejoy, 2021-08-01 The Atlantic and Africa breaks new ground by exploring the connections between two bodies of scholarship that have developed separately from one another On the one hand the second slavery perspective that has reinterpreted the relation of Atlantic slavery and capitalism by emphasizing the extraordinary expansion of new frontiers of slave commodity production and their role in the economic social and political transformations of the nineteenth century world economy On the other hand Africanist scholarship that has established the importance of slavery and slave trading in Africa to the political economic and social organization of African societies during the nineteenth century Taken together these two movements enable us to delineate the processes forming the capitalist world economy establish its specific geographical and historical structure and reintegrates Africa into the transformations in the world economy This volume explores this paradigm at diverse levels ranging from state formation and the reorganization of world markets to the creation of new social roles and identities

*Their Destiny in Natal - The Story of a Colonial Family of the Indian Ocean* Georges Védie, 2015 In 1877 Hippolyte and Pauline Lavoipierre arrived at the British Colony of Natal in South Africa With limited capital and some experience gained in

Mauritius Hippolyte set about establishing himself as a sugar planter in the Inanda District then the developing agricultural heart of the colony They also came burdened with a number of family secrets This book examines the couple s complex Franco Mauritian backgrounds from their origins in France their grandfathers and fathers experiences in the various colonies of India Mauritius and the Seychelles and their own struggle to make a success of their lives in Natal It examines the roles of trade slavery and indentured labour in their ventures and in the development of 19th century Mauritius and Natal The surprising disregard of conventions in conservative colonial societies the financial risks of plantation agriculture and the hidden issue of miscegenation come to light through the experiences of a particular family      **The Corsairs of Saint-Malo**

Henning Hillmann,2021-02-23 Western Europe rose in global power during the early modern period as overseas expansion opened new trade routes At the same time intense rivalries pitted European states against one another in recurrent wars Henning Hillmann examines the merchant community of Saint Malo Brittany a key port in the French Atlantic economy to shed light on the local networks that linked commerce and conflict in early modern Europe Hillmann traces the development of Saint Malo and the social structure of its merchant elite from the 1680s through the onset of the French Revolution He pinpoints the role of privateering showing how it enabled local merchant communities to secure their hold on established trades seize new opportunities and withstand the threats of armed conflict In wartime rulers commissioned ship owning traders to fit out vessels as corsairs to raid enemy shipping Within a mercantilist worldview this state sanctioned private war at sea aligned the interests of local elites and the royal government Locally within Saint Malo the partnerships that merchant elites formed in their privateering ventures gave rise to a cohesive network that held their community together amid outside conflicts Combining rich descriptions of privateering campaigns with quantitative network analysis of partnership ties over more than a century The Corsairs of Saint Malo offers a new understanding of the local organizational foundations of early modern capitalist development      **Low Country Gullah Culture, Special Resource Study** ,2003      Slavery in the United States

Junius P. Rodriguez,2007-03-20 A comprehensive contextual presentation of all aspects social political and economic of slavery in the United States from the first colonization through Reconstruction For 250 years slavery was part of the fabric of American life The institution had an enormous economic impact and was central to the wealth of the agrarian South It had as great an impact on American culture cementing racism and other attitudes that echo into the present This encyclopedia is an ambitious examination of all the issues surrounding slavery the origins the justifications the controversies and the human drama These volumes represent the work of 75 distinguished scholars from around the world Ten thematic essays present a thorough examination of slavery and slave culture including a rare treatment of slavery from the slave s point of view Three hundred A Z entries provide instant access to specific people issues and events Today slavery s immorality seems obvious This encyclopedia provides the student or general reader with an in depth explanation of how the practice evolved and was normalized then anathematized and abolished      **Internationale Bibliographie der Rezensionen wissenschaftlicher**
