Seascapes And Angels:

Seascapes and Angels Dermot O'Neill, 2000 It had always been Dermot O'Neill's boyhood dream to sail the Atlantic alone. Struggling with internal fears and adult anxieties that threatened to stifle his dream, he decided to do it before his fears won out. He set out alone to sail from his Irish home of Arklow to the Barbadoes. He quickly found himself in deep personal waters. The 14-month, 12,000-mile round trip journey in his sailboat Poitin led to terrifying times with storms, close encounters with death, insanity, hunger, and loneliness. This is an exciting and inspiring book about an ordinary man dealing with a critical stage in his life, but it is also a tale of fun, excitement, and the utter joy of personal and physical fulfillment. **Seascapes of a**

Soul: Wholeness and the Sense of Self Venetia Somerset, 2023-06-23 The search for self-knowledge and identity is a common theme in autobiographies these days. So also is the search for a spirituality other than that of the conventional religions. Both are found in *Seascapes of a Soul: Wholeness and the Sense of Self*. This book is an account of a unique spirit on an often solitary journey. With clear argumentation and transparent honesty, this author presents a story that reaches towards individuation, gained partly through discovering C.G. Jung's ideas about the psyche. Several themes recur: the onset of old age, Jungian individuation, solitude and aloneness, mood swings, a rejection of orthodox religion, a love for the natural world, an interest in gnosticism, the inner sense of the Divine. Her relationship with her twin sister is also prominent. There is light and dark here, the ups and downs of living with a twin. In rejecting Christianity, she grew up with an innate urge to a spirituality that ultimately arose from the strong sense of self she had had from an early age. If this has a name, it would be gnostic, because it is a perception of inner divinity, the God within. This is a woman's story with a difference. Although unlike so many, she did not have to struggle through a life of disadvantage and deprivation, she did have to wrestle with a powerful self that sometimes wandered up blind alleys into ego. But she learned to accept mistakes and incorporate them into what Einstein called a calm and modest life. Images of the sea, symbols of the unconscious, run through the book. The seascapes at the head of each chapter function in the story as a leitmotif for the moods and moods of the spirit. Angel
