Comfortable Christianity Randall Donahue, 2005 Our churches are to reach out in love to all people with the life saving Gospel of Jesus Christ But we have a competitor to our mission it is the American Dream The American Dream is to attain more and more comfort as we go through life finally attaining the most sought after prize retirement We have fast food restaurants drive through car washes computers and other technological advancements that help us achieve this comfort You will be surprised at how the every day comforts that we take for granted have sprouted and perpetuated this attitude on our churches This pursuit of comfort is driving our churches to make decisions based on attaining their own personal comfort rather than sacrificing that comfort for the sake of the Great Commission Comfortable Christianity exposes this attitude and the different ways that it shows itself in our churches Comfortable Christianity gives careful attention to what needs to be done in order to overcome this attitude and turn our churches into Great Commission centers of the Gospel The River of God Dutch Sheets, 1998-07-13 Let the River Flow The river is being released and will in its fullness result in the greatest harvest the earth has ever known It will be glorious What started as a trickle God is turning into a mighty flood bringing refreshment and vitality to all who immerse themselves in His glorious love If you have yet to experience this unprecedented outpouring of the Holy Spirit or don't know how to jump into the water this book will touch your heart and point you in the right direction With powerful insight into the theme of water that runs through the Bible pastor Dutch Sheets shows what a person and a church can do to experience the rising current of renewal and revival *God's Timing for Your Life* Dutch Sheets, 2001-04-05 Best selling author Dutch Sheets will inspire and encourage readers with this clear revelatory study of God's appointed times and seasons Going beyond the basic definitions of kairos and chronos Dutch brings fresh insight to the subject examining Scripture to show how kairos strategic times and chronos general times are not two separate and unrelated seasons in our lives but rather are often simply different phases of the same process Dutch looks at how God brought about His divine shift in the lives of men and women throughout the Bible and the many ways in which God used
