Seasons Of Change:

Seasons of Change Daniel L. Taylor, 2017-01-03 Seasons of Change is a workbook based upon a continual cycle found in the Word of God As each section is walked out through answering self examination questions shared with a trustworthy mentor within the context of membership in the local evangelical church and walking the practice of freedom out in transparency an annual cycle is developed That cycle includes revisiting the progress from the season that just ended measuring progress or regress while encouraging growth as a free child of God in helping another person caught in addictive patterns Seasons of Change crosses over from substance abuse addictions of a chemical nature abhorrent behaviors that are sinful in nature as well as pornography and addictions of all types Seasons Of Change Selma Bloomfield Weisman, M.Ed, 2014-05 Seasons of Change is a realistic approach to why bad things happen to good people It looks at the life of one young person who was raped for 7yrs and nobody ever knew This person grew up lost her mind spent time in and out of Mental Health Facilities not knowing how to recover from her past until one day she discovered certain skills and techniques which restored her sanity She used those skills daily and recovered her sanity She recovered the overall quality of her life returning to work and college enjoying a successful life **Seasons of Change** S.
