The Faith@home Focused Church Mark A. Holmen, 2020-01-28 Have you ever wondered why Christianity is declining in America Since the 1980 s many American congregations have been very focused on doing church better A lot of effort and resources have been poured into worship and ministry programs and they have significantly improved yet Christianity has been steadily declining Could it be that doing church better is not the answer to stop the decline of Christianity in America Could it be that we have paid too much attention to what s happening at church and not enough attention to what s happening at home Do we care that many church goers are living acting dressing behaving one way at church and a complete different way at home and as a result children raised in those environments are later leaving the church at an all time high rate In The Faith Home Focused Church Pastor Holmen is going to challenge church leaders to consider three very important questions Do we want the home to be the primary place where faith is lived and nurtured **El-Hi Textbooks &**
