Coaching Youth Football American Youth Football, Joe Galat, 2017-05-10 Congratulations on your commitment to coach youth football. If you have played but haven't coached before, you'll need some help to make your first season a success. If you have coached previously, every season is an opportunity to do better. Coaching Youth Football with its field-tested information and advice will help you run your team with confidence. You'll find methods and tips for communicating with players, minimizing risk and preventing injuries, providing basic first aid, planning and conducting practices, teaching the fundamental techniques and tactics, coaching on game day, and keeping it all fun. Written by Joe Galat, a former college and NFL coach and the president and founder of American Youth Football (AYF), this book covers fundamentals of offense, defense, and special teams. It features separate chapters on offensive and defensive techniques and tactics, as well as the best practices for blocking and tackling to minimize the risk of injury. More than 70 drills and 126 photos and illustrations are included in the chapters. Designed for coaches of players ages 14 and under, this book is also a valuable component of the Coaching Youth Football: The AYF Way online course, the official course of AYF offered through Human Kinetics Coach Education. With this book, you can create an athlete-centered environment that promotes player development, enjoyment, motivation, and safety, so that players will come out for the team year after year. The Boy's Own Book William Clarke, 1857 Essential Church? Thom S. Rainer, Sam S. Rainer, 2008 Why do so many young adults 18 to 22 leave the church, and what will it take to bring them back? This important question is examined and duly answered in *Essential Church*, a follow-up to Thom S. Rainer's best-selling *Simple Church*, cowritten this time with his son, research expert Sam Rainer. The book is based on a study of one thousand so-called church dropouts who were interviewed about why they left. Their answers are quite surprising, having less to do with losing their religion and more about the desire for a community that isn't made stale by simply maintaining the status quo. In turn, the Rainers offer churches four concrete solutions toward making their worship community an essential part of these young people's lives again: Simplify, develop a clear structure and process for making disciples, Deepen, provide strong biblical teaching and preaching. Expect to let members know the need for commitment to the congregation. Multiply, emphasize evangelism, outward focus, and starting new churches. **Lacrosse Fundamentals** Jim Hinkson, 2012-04-01 Describing the components of lacrosse in a step-by-step fashion, author and coach Jim Hinkson clearly explains and illustrates the most effective ways of mastering individual skills for passing, catching, cradling, and checking, as well as tactics and strategies for winning team play. In addition, the book offers dozens of drills applicable to both coaches and players for refining these techniques and contains specific instruction for both the indoor and outdoor game. Written with precision by one of the world's leading authorities on playing and coaching lacrosse and featuring numerous illuminating photographs and illustrations, *Lacrosse Fundamentals* is ideal for coaches, players, parents, and fans of the sport.
