The Long Tomorrow Jef Anderson,2013-12-10 This is a book about eternity and not merely about Heaven or Hell As new creations we're commanded to move away from what seems natural to us what feels like our earthly needs wants and desires In fact the Gospel calls us to become supernatural moving toward what is beyond our nature focusing on things outside the confines of this world Because of this many who we'll share eternity with never find their place in this earthly life never where their puzzle piece was supposed to fit If we are Heirs and Children of the King then our hope should be firmly set on what will be important to us when we're experiencing forever to those things critical during the Long Tomorrow
