Keepers of the Code Robert Lecker, 2013-02-07 *Keepers of the Code* explores the complex network of associations and negotiations that influenced the development of literary anthologies in English Canada from 1837 to the present Lecker shows that these anthologies are deeply conflicted narratives that embody the tensions and anxieties felt by their editors when faced with the challenge of constructing or rejecting national ideals He argues that these are intensely self conscious works with their own literary mechanisms and architecture In reading the history of these anthologies he witnesses a

complex narrative of nation a compelling story about the values and interests informing English Canadian literary history

Stevie Smith and Authorship William May,2010-08-12 The most useful critical guide to the Movement that has appeared in recent years Alan Brownjohn Literary Review MLA Handbook The Modern Language Association of America,2021-04-22 The ninth edition of the MLA Handbook is a textbook and reference guide that offers student writers and writing instructors guidance on creating works cited list entries in MLA style using the template of core elements It features advice on punctuation grammar inclusive language formatting research papers and in text citations Includes an appendix of sample works cited list entries illustrations and an index **Rural Space in the Middle Ages and Early Modern Age**

Albrecht Classen,2012-05-29 Older research on the premodern world limited its focus on the Church the court and more recently on urban space The present volume invites readers to consider the meaning of rural space both in light of ecocritical readings and social historical approaches While previous scholars examined the figure of the peasant in the premodern world the current volume combines a large number of specialized studies that investigate how the natural environment and the appearance of members of the rural population interacted with the world of the court and of the city The experience in rural space was important already for writers and artists in the premodern era as the large variety of scholarly approaches indicates The present volume signals how much the surprisingly close interaction between members of the aristocratic and of the peasant class determined many literary and art historical works In a surprisingly large number of cases we can even discover elements of utopia hidden in rural space We also observe how much the rural world was a significant element already in early medieval mentality Moreover as many authors point out the impact of natural forces on premodern society was tremendous if not catastrophic **Romantic Period Writings 1798-1832: An Anthology** Ian Haywood,Zachary

Leader,2005-11-01 Romantic Period Writings 1798 1832 provides a valuable insight into the condition of Britain in the early part of the nineteenth century It includes original documents from a range of disciplines and discourses Each section includes a scholarly introduction select bibliography and annotations Among the material assembled in the anthology are writings by previously neglected or under represented women working class men black radicals and conservative and evangelical polemicists as well as several unfamiliar texts by canonical writers The writings are organised into sections on Radical Journalism Political Economy Atheism Nation and State Race and Empire Gender Literary Institutions British Literature and Print Culture Sandro Jung,2013 The essays collected here offer examinations of bibliographical matters publishing practices the illustration of texts in a variety of engraved media little studied print culture genres the critical and editorial fortunes of individual works and the significance of the complex interrelationships that authors entertained with booksellers publishers and designers They investigate how all these relationships affected the production of print commodities and how all the agents involved in the making of books contributed to the cultural literacy of readers and the formation of a canon of literary texts Specific topics include a bibliographical study of Aphra Behn s Oroonoko and its

editions from its first publication to the present day the illustrations of John Bunyan's *Pilgrim's Progress* and the ways in which the interpretive matrices of book illustration conditioned the afterlife and reception of Bunyan's work the almanac and the subscription edition publishing history collecting reading and textual editing especially of Robert Burns's poems and James Thomson's *The Seasons* the printing for the author practice the illustrated and material existence of Sir Walter Scott's Waverley novels and the Victorian periodical *The Athenaeum* P 4 of cover Teaching Transatlanticism Linda K Hughes, 2015-02-05 The 18 chapters in this book outline conceptual approaches to the field and provide practical resources for teaching ranging from ideas for individual class sessions to full syllabi and curricular frameworks *Black British Writing* Lauri Ramey, 2004-09-03 This collection of essays provides an imaginative international perspective on ways to incorporate black British writing and culture in the study of English literature and presents theoretically sophisticated and practical strategies for doing so It offers a pedagogical pragmatic and ideological introduction to the field for those without background and an integrated body of current and stimulating essays for those who are already knowledgeable Contributors to this volume include scholars and writers from Britain and the U S Following on recent developments in African American literature postcolonial studies and race studies the contributors invite readers to imagine an enhanced and inclusive British canon through varied essays providing historical information critical analysis cultural perspective and extensive annotated bibliographies for further study *Routledge Companion to Women, Sex, and Gender in the Early British Colonial World* Kimberly Anne Coles, Eve Keller, 2018-10-03 All of the essays in this volume capture the body in a particular attitude in distress vulnerability pain pleasure labor health reproduction or preparation for death They attend to how the body's transformations affect the social and political arrangements that surround it And they show how apprehension of the body in social and political terms gives it shape **Spirits Unseen: The Representation of Subtle Bodies in Early Modern European Culture**, 2007-12-31 Spirits airy volatile subtle bodies occupied a central place in early modern European culture At the edge of the visible and perceptible spiritus could signify a broad variety of subtle substances both natural and divine the vapours moving inside the body the elements of air and fire angels demons and spectres the Holy Spirit and the human soul Spirits functioned as intermediaries between two opposite worlds with continually shifting borders This book investigates specific meanings and uses of spiritus in a variety of early modern disciplines and fields physiology psychology alchemy theology demonology art theory music theory novels and the literature on love thus revisiting the ambivalent history of a central ancient concept in a period of crisis and change Contributors include Wietse de Boer Sven Dupr Jennifer Frangos Axel Christoph Gampp Christine G tler Berthold Hub Dawn Morgan Wolfgang Neuber Bret Rothstein Rose Marie San Juan Wilhelm Schmidt Biggemann Justin E H Smith Paul J Smith Thijs Weststeijn and Sarah F Williams **Lyric Poems from Around the World: Epic Thinks Beyond Feelings** Festus Ogunbitan, 2010-03-25 Lyric poems from around the world is an adaptation of history into literature for further understanding and interpreting ancient and contemporary history Adaptation
