JG Myers

Look At Japan:

Let's Look at Japan A. M. Reynolds, 2019 Welcome to Japan Visit Mount Fuji Enjoy a meal of sushi Discover this country of islands and its people animals and traditions **A Peek at Japan** Florence E. Metcalf, 1992 Perfect binding Illustrated black white red cover Over 150 sketches calligraphy Fifteen beautiful photos Pronunciation guide English Japanese in different typestyles for clarity 146 pages 8 1/2 x 11 Born of Canadian missionaries in Japan author Florence Metcalf lived there 18 prewar years returned for the Allied occupation now teaches American students Japanese Japanese businessmen's wives English Seven or seventy A PEEK AT JAPAN provides a stressfree tool to learn everyday expressions useful phrases counting simple writing reading A FUN BOOK Descriptions of homelife customs festivals recipes songs with music folktales things unique to Japan are factual Charming illustrations by Japanese artists are current Now economically intermingled new curiosity about Japan prevails re language customs We must learn more about each other This book is valuable to language social studies teachers preschool through high school travellers students 4 H YMCA sister city groups Japanese owned business employees grandparents readers interpreting current events METCO PUBLISHING 15805 S E 12th Place Bellevue WA 98008 14 95 Washington State only tax 1 23 Shipping 2 05 in US each additional 0 75 Canada double Phone 1 206 746 2853 **Look at Japan** Nihon Kōtsū Kōsha, 1961 **Between Friends** 日本文学, Ryōhei Murata, Hisahiko Okazaki, 1985

Look Japan, 1993 **Migrants and Identity in Japan and Brazil** Daniela de Carvalho, 2003-08-27 Economic and social difficulties at the beginning of the 20th century caused many Japanese to emigrate to Brazil The situation was reversed in the 1980s as a result of economic downturn in Brazil and labour shortages in Japan This book examines the construction and reconstruction of the ethnic identities of people of Japanese descent firstly in the process of emigration to Brazil up to the 1980s and secondly in the process of return migration to Japan in the 1990s The closed nature of Japan's social history means that the effect of return migration can clearly be seen Japan is to some extent a unique sociological specimen owing to the absence of any tradition of receiving immigrants This book is first of all about migration but also covers the important related issues of ethnic identity and the construction of ethnic communities It addresses the issues from the dual perspective of Japan and Brazil The findings suggest that mutual contact has led neither to a state of conflict nor to one of peaceful coexistence but rather to an assertion of difference It is argued that the Nikkeijin consent strategically to the social definitions imposed upon their identities and that the issue of the Nikkeijin presence is closely related to the emerging diversity of Japanese society **Japan**, 1926 *Japan's Agro-Food Sector* Albrecht Rothacher, 1989-06-18 This book describes the profound structural change in Japan's agriculture from its politically marginalized economically fragmented traditional labour intensive postwar mode of production to its current dual modern shape of a highly capitalized politically organized and protected sector **An Ethnography of the Lives of Japanese and Japanese Brazilian Migrants** Ethel V. Kosminsky, 2020-06-01 In this book Ethel Kosminsky studies the Japanese emigration to the planned colony of Bastos in São

Paulo Brazil in the early twentieth century She explores the stories of Japanese immigrants who replaced the labor of recently freed slaves on coffee plantations and their descendants return migration to Japan when the Bastos economy began to suffer in the late twentieth century Using interviews and fieldwork done in both Bastos and Japan Kosminsky integrates sociological historical political economic and ethnographic knowledge to analyze the consequences of these temporary labor migrations on the immigrants and their families

Global Japan Roger Goodman,Ceri Peach,Ayumi Takenaka,Paul White,2005-06-27 The Japanese have long regarded themselves as a homogenous nation clearly separate from other nations However this long standing view is being undermined by the present international reality of increased global population movement This has resulted in the establishment both of significant Japanese communities outside Japan and of large non Japanese minorities within Japan and has forced the Japanese to re conceptualise their nationality in new and more flexible ways This work provides a comprehensive overview of these issues and examines the context of immigration to and emigration from Japan It considers the development of important Japanese overseas communities in six major cities worldwide the experiences of immigrant communities in Japan as well as assessing the consequences for the Japanese people s view of themselves as a nation

Japan - Restless Competitor Malcolm Trevor,2013-12-16 In this important new and controversial study about the nature and focus of the Japanese economic agenda the author argues forcefully that the official mind set of leading bureaucrats top politicians and big business makes it virtually impossible for the western industrialized world to do business on an equal footing Put simply it is a question of western free market economics facing Japanese economic nationalism which is by its very nature both an expansive and a protectionist ideology International observers continue to ask is Japan changing or more forcefully is Japan capable of change Notions of reform and restructuring are today part of the Japanese lexicon but appear to hold little substance Trevor argues that any western notion of Japan changing fundamentally i e adopting western or Anglo Saxon philosophies is facile completely unrealistic This book is for everyone who wonders what motivates Japan s politico economic system and whether it is changing

Marriage and Marriageability Chigusa Yamaura,2020-07-15 How do the Japanese men and Chinese women who participate in cross border matchmaking individuals whose only interaction is often just one brief meeting come to see one another as potential marriage partners Motivated by this question Chigusa Yamaura traces the practices of Sino Japanese matchmaking from transnational marriage agencies in Tokyo to branch offices and language schools in China from initial meetings to marriage the visa application processes and beyond to marital life in Japan Engaging issues of colonial history local norms and the very ability to conceive of another or oneself as marriageable Marriage and Marriageability rethinks cross border marriage not only as a form of gendered migration but also as a set of practices that constructs marriageable partners and imaginable marriages Yamaura shows that instead of desiring different others these transnational marital relations are based on the tactical deployment of socially and historically created conceptions of proximity between Japan and northeast China Far from

seeking to escape local practices participants in these marriages actively seek to avoid transgressing local norms By doing so on a transnational scale they paradoxically reaffirm and attempt to remain within the boundaries of local marital ideologies

The Anime Companion 2 Gilles Poitras,2005-06-01 Become an expert on cultural details commonly seen in Japanese animation movies comics and TV shows *Family and Social Policy in Japan* Roger Goodman,2002-11-26 Table of contents

Japan's Subnational Governments in International Affairs Purnendra Jain,2006-03-13 1 Contexts conceptual comparative and Japanese 2 Japanese SNGs as international actors domestic dimensions 3 International exchanges SNGs lead with a soft approach 4 International cooperation a strategic edge 5 Economic diplomacy 6 Hard diplomacy SNGs and national security

Japan at the Millennium David W. Edgington,2003 Japan today is at an important historical juncture Buffeted in recent years by rapid economic social and political change yet still very much steeped in custom and history the nation has become an amalgam of the traditional and the modern As a result the country has become increasingly difficult to categorize How are we to represent today s Japan effectively and fairly predict its future This critical multi disciplinary collection explores the convergence of past and future in contemporary Japan Contributors comment on a wide range of economic socio cultural and political trends such as the mobilization of Japanese labour the burgeoning Ainu identity movement and the shifting place of the modern woman and conclude that despite the rapid changes many of the traditional facets of Japanese society have remained intact institutional change they assert is unlikely to occur quickly and Japan must find alternate ways to adjust to twenty first century pressures of global competition and interdependence A pleasure to read this broad volume will be welcomed by upper level undergraduates graduates and specialists in Japanese studies **The Voluntary and Non-Profit**

Sector in Japan Stephen Osborne,2003-09-02 The voluntary and non profit sector is an important and emerging feature of Japanese society It is a response both to the changing nature of this society and to political and social trends that have encouraged the Japanese government to see this sector as a potential provider of public services It is also part of the emergence of civil society in Japan This book explores the roots of the societal challenges that voluntary and non profit organisations face in Japan and evaluates their future impact on Japanese society Containing contributions from leading researchers internationally as well as from key practitioners from Japan this book is essential reading for any student of Japanese studies or the international non profit sector **Embedded Racism** Debito Arudou,2021-11-26 Despite domestic

constitutional provisions and international treaty promises Japan has no law against racial discrimination Consequently businesses around Japan display Japanese Only signs denying entry to all foreigners on sight Employers and landlords routinely refuse jobs and apartments to foreign applicants Japanese police racially profile foreign looking bystanders for invasive questioning on the street Legislators administrators and pundits portray foreigners as a national security threat and call for their segregation and expulsion Nevertheless Japan s government and media claim there is no discrimination by race in Japan therefore no laws are necessary How does Japan resolve the cognitive dissonance of racial discrimination being

unconstitutional yet not illegal Embedded Racism untangles Japan's complex narrative on race Starting with case studies of hundreds of Japanese Only exclusionary businesses it carefully analyzes the social construction of Japanese identity through laws public policy jurisprudence and media messages It reveals how the concept of a Japanese has been racialized to the point where one must look Japanese to have equal civil and human rights in Japan Completely revised and updated for this Second Edition including landmark events like the 2020 Tokyo Olympics the Covid Pandemic and the Carlos Ghosn Case Embedded Racism is the product of three decades of research and fieldwork by a scholar living in Japan as a naturalized Japanese citizen It offers a perspective into how Japan's entrenched misunderstood and deliberately overlooked racial discrimination not only undermines Japan's economic future but also emboldens white supremacists worldwide who see Japan as their template ethnostate

Japanese Cinema and Otherness Mika Ko, 2013-05-13 Over the last 20 years ethnic minority groups have been increasingly featured in Japanese Films However the way these groups are presented has not been a subject of investigation This study examines the representation of so called Others foreigners ethnic minorities and Okinawans in Japanese cinema By combining textual and contextual analysis this book analyses the narrative and visual style of films of contemporary Japanese cinema in relation to their social and historical context of production and reception Mika Ko considers the ways in which multicultural sentiments have emerged in contemporary Japanese cinema In this respect Japanese films may be seen not simply to have reflected more general trends within Japanese society but to have played an active role in constructing and communicating different versions of multiculturalism In particular the book is concerned with how representations of otherness in contemporary Japanese cinema may be identified as reinforcing or subverting dominant discourses of Japaneseness the author book also illuminates the ways in which Japanese films have engaged in the dramatisation and elaboration of ideas and attitudes surrounding contemporary Japanese nationalism and multiculturalism By locating contemporary Japanese cinema in a social and political context Japanese Cinema and Otherness makes an original contribution to scholarship on Japanese film study but also to bridging the gap between Japanese studies and film studies

Look At Japan Introduction

Free PDF Books and Manuals for Download: Unlocking Knowledge at Your Fingertips In today's fast-paced digital age, obtaining valuable knowledge has become easier than ever. Thanks to the internet, a vast array of books and manuals are now available for free download in PDF format. Whether you are a student, professional, or simply an avid reader, this treasure trove of downloadable resources offers a wealth of information, conveniently accessible anytime, anywhere. The advent of online libraries and platforms dedicated to sharing knowledge has revolutionized the way we consume information. No longer confined to physical libraries or bookstores, readers can now access an extensive collection of digital books and manuals with just a few clicks. These resources, available in PDF, Microsoft Word, and PowerPoint formats, cater to a wide range of interests, including literature, technology, science, history, and much more. One notable platform where you can explore and download free Look At Japan PDF books and manuals is the internet's largest free library. Hosted online, this catalog compiles a vast assortment of documents, making it a veritable goldmine of knowledge. With its easy-to-use website interface and customizable PDF generator, this platform offers a user-friendly experience, allowing individuals to effortlessly navigate and access the information they seek. The availability of free PDF books and manuals on this platform demonstrates its commitment to democratizing education and empowering individuals with the tools needed to succeed in their chosen fields. It allows anyone, regardless of their background or financial limitations, to expand their horizons and gain insights from experts in various disciplines. One of the most significant advantages of downloading PDF books and manuals lies in their portability. Unlike physical copies, digital books can be stored and carried on a single device, such as a tablet or smartphone, saving valuable space and weight. This convenience makes it possible for readers to have their entire library at their fingertips, whether they are commuting, traveling, or simply enjoying a lazy afternoon at home. Additionally, digital files are easily searchable, enabling readers to locate specific information within seconds. With a few keystrokes, users can search for keywords, topics, or phrases, making research and finding relevant information a breeze. This efficiency saves time and effort, streamlining the learning process and allowing individuals to focus on extracting the information they need. Furthermore, the availability of free PDF books and manuals fosters a culture of continuous learning. By removing financial barriers, more people can access educational resources and pursue lifelong learning, contributing to personal growth and professional development. This democratization of knowledge promotes intellectual curiosity and empowers individuals to become lifelong learners, promoting progress and innovation in various fields. It is worth noting that while accessing free Look At Japan PDF books and manuals is convenient and cost-effective, it is vital to respect copyright laws and intellectual property rights. Platforms offering free downloads often operate within legal boundaries, ensuring that the materials they provide are either in the public domain or authorized for distribution. By adhering to copyright laws, users can enjoy the benefits of free access to knowledge while supporting the authors and publishers who make these resources available. In

conclusion, the availability of Look At Japan free PDF books and manuals for download has revolutionized the way we access and consume knowledge. With just a few clicks, individuals can explore a vast collection of resources across different disciplines, all free of charge. This accessibility empowers individuals to become lifelong learners, contributing to personal growth, professional development, and the advancement of society as a whole. So why not unlock a world of knowledge today? Start exploring the vast sea of free PDF books and manuals waiting to be discovered right at your fingertips.

FAQs About Look At Japan Books

What is a Look At Japan PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Look At Japan PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Look At Japan PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Look At Japan PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Look At Japan PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and

local laws.
