Look Ma No Hands:

Look Ma, No Hands Gabrielle Drolet, 2025-05-20 A humorous profound debut memoir about chronic pain accessibility and young adulthood by an acclaimed essayist and cartoonist In 2021 Gabrielle Drolet developed a condition that made her unable to use her hands It only worsened over time and as a writer and artist she had to learn new ways of creating and expressing herself The experience completely changed her life and her outlook Look Ma No Hands explores both the difficulty and the humour of developing chronic and life altering pain in her twenties Each chapter looks at a different aspect of her life touched by her disability how she learned to write when she couldn't type how she learned to manage the most mundane daily tasks She moves cities and as her work as a writer and cartoonist builds has to navigate different byzantine health systems without the privilege or security of having a family doctor even as she moves into her new apartment and embarks on first dates And she does all of this with the most wonderful sense of the absurd Look Ma No Hands is utterly charming and shares profound reflections on life's curveballs and explores how in Drolet's words you can live a full even funny life in a disabled body
