

A sunset scene with a warm orange and yellow sky. The sun is low on the horizon, creating a reflection on the water. In the foreground, there are dark, silhouetted mountains or hills. The water is calm, with some ripples visible.

Stop looking for angels, and start looking for angles.
There are options. Settle in for the long haul and then
try each and every possibility, and you'll get there.
When people ask where we are, what we're doing, how
that "situation" is coming along, the answer should be
clear: We're working on it. We're getting closer. When
setbacks come, we respond by working twice as hard.
