knack for asking the wrong questions or maybe the right ones at the wrong time this book weaves history suspense and a touch of techno conspiracy into a story that grips from the first shot fired near a courthouse in 1882 to the digital footprints left by a missing man in 2025 At the center of it all is Trace Newater a protagonist who isn't afraid to dig through dust secrets or bureaucracy His journey into a cold case that shouldn't matter anymore reveals a lot more than old grudges it raises questions about time family and how much of ourselves we leave behind in the stories we don't tell So whether you're here for the slow burning history or the pulse of a present day investigation welcome The feud isn't finished yet but you're about to see how it begins **American Poland-China Record** American Poland-China Record Association,1911
