Mink Hills J.F Lore, 2024-04-18 For more than two hundred years the township of Mink Hills Manitoba has been embroiled in a secret war with an enemy profoundly suited to the shadows Legend has it that werewolves roam the woods outside of town responsible for the

abduction of local children a few from each generation Of course that's nonsense Surely whatever monster is responsible for taking these children is merely human though clearly lacking in humanity But when the son of RCMP Detective Marcus Pope is abducted along with two other children and the desperate search takes him and his fellow officers deep into the woods the werewolf legend becomes an undeniable reality in a vicious attack that leaves officers down and the survivors questioning everything they had ever believed Enlisting the help of fellow detective Morgan Heart as well as an ancient werewolf who had been turned against his will centuries earlier Marcus vows to put an end to the wolf pack's persistent and pernicious evil and seek justice for everything they'd taken from the people of Mink Hills and from himself

The Queen of Peace Room Magie Dominic, 2006-01-01 What is memory and where is it stored in the body Can a room be symbolic of a lifetime Memories are like layers of your skin or layers of paint on a canvas In The Queen of Peace Room Magie Dominic peels away these layers as she explores her life that of a Newfoundlander turned New Yorker an artist and a writer and frees herself from the memories of her violent past On an eight day retreat with Catholic nuns in a remote location safe from the outside world she exposes and captures fifty years of violent memories and weaves them into a tapestry of unforgettable images The room she inhabits while there is called The Queen of Peace Room it becomes for her a room of sanctuary She examines Newfoundland in the 1940s and 1950s and New York in the 1960s her confrontations with violence incest and rape the devastating loss of friends to AIDS and the relationship between life and art These memories she finds stored alongside memories of nature s images of trees pulling themselves up from their roots and fleeing the forest storms and ley lines and skies bursting with star like eyes In The Queen of Peace Room from a very personal perspective Magie Dominic explores violence against women in the second half of the twentieth century and in doing so unearths the memory of

a generation In eight days she captures half a century *St. Nicholas* ,1907
