Looking For China Travels On A Silk Road:

Ming-Dynasty China and the World Along the Silk Road Wan Ming, 2024-12-24 This book the first of a multi volume set on the Silk Road during the Ming Dynasty takes a holistic and global view of the origin and development of the Silk Road The multi volume work revisits the history of the Silk Road and analyzes the evolving relationship between China and the world from the late 14th century to the mid 17th century It reveals the historical significance of the Silk Road and cultural exchange for world history This first volume focuses on China s foreign relations in the early Ming Dynasty with its non invasive foreign policy and ideal of common peace which differed from the foreign policies of all previous dynasties The discussion also extends to the continued development of the Silk Road routes both land and sea in the late Ming Dynasty a time when the West discovered China through the footprints of the Khitan people It illuminates the historical contribution of China during the Ming Dynasty to the world of a shared future for mankind This title is essential reading for historians and students of world or Chinese history as well as anyone with a keen interest in historical global connections Silk Road studies or Sino foreign relations

Searching For Power John Jacob Haksteen, MD, F.A.P.A., 2012-03-31 This is a story of how the walking apes of Africa were destined to become the vanguards of evolution Humankind and their struggles to tame the chaos in nature and themselves through understanding However understanding developed slowly From pictures as language to ritual language as art to logic of written language to observations experimentations and theoretic reasoning to knowledge and the expanding of consciousness to insight Five great teachers emerged in history who brought wisdom to enlighten their cultures and the world They never wrote a book their wisdom was remembered later written and called The Analects The Four Noble Truths The Republic The Gospels The Koran Their wisdom has lasted thousands of years strongly influencing three quarters of the earth s population they were called Confucius Buddha Socrates Jesus and Mohammad The lovers of wisdom furthered our understanding and the scientists increased our knowledge daily while the mystics expanded our consciousness to reach the highest power Read this book and learn how the author lost his scientific skepticism about disembodied consciousness
